

**Orientation
Feedback Survey
August, 2005**

What was the most informative part in the orientation?

I think it was the lecture on student health services and student services.
Student health services.
Financial Aid.
The Financial Aid and Health Service part.
Financial Aid.
Education Plan Overview.
The overall orientation was very helpful but the Scavenger Hunt helped me a lot.
The most informative part would have to be the panel speakers.

What was the least informative part in the orientation?

I didn't get as much information on the Career Transfer Center as I wanted.
Scavenger Hunt.
They all were informative in their own way.
Where the classes were due.
Rho Alpha Mu.
The Financial Aid speaker only because I knew I didn't qualify.
The scavenger hunt was the least informative

What would you change in the orientation?

Maybe change the time of meeting from 8:30 to 9:00 or 9:30.
No – maybe not have scavenger hunt.
The Scavenger Hunt.
The games.
Better food in the morning.
It was a little long but there was a lot of info to cover so I thought it was well planned.
