

Gavilan/ROP Articulation Agreement

(This agreement may be reviewed and revised at any time if mutually agreed upon by both agencies.)

This Agreement to Articulate is in effect between Gavilan Community College and

_____ District/ROP for the purpose of providing students the opportunity to earn Gavilan College credit for comparable courses taken in high school and to prepare students for advanced standing when entering Gavilan College.

This articulation agreement is developed around academic and career interests. Instructional Gavilan faculty will analyze and compare the content of the program and courses to determine those which are equivalent. High School instructors teaching articulated courses must meet Gavilan College's minimum teaching qualifications.

Gavilan College credit for an articulated course will be received if all the following criteria are met:

1. Enrollment at Gavilan College within three years after completion of the high school articulated course.
2. Completion of at least **six** units of course work at Gavilan College.
3. Completion of any additional criteria as agreed upon by articulation program instructors.

Any student enrolled in or having completed one or more of the courses identified for articulation will be awarded Gavilan College credit under this agreement.
