Banner Assessment Review

- Most organization conduct an Assessment Review every 4 years to evaluate staff usage of Banner ERP system
  - Are staff using Banner system effectively?
  - Does staff need training because of attrition?
- District identified the need for Banner Assessment Review for Business Office, Human Resources, and Payroll Offices
- Recommendations:
  - Streamline processes (e.g., online leave reports/timesheet, ePAF)
  - Reduce paper processing (e.g., Banner Document Management)

Additional Tools to Enhance Banner

- Organizations use additional tools to enhance or fulfill any voids of Banner

- District uses a few additional tools to better serve students or increase efficiencies, such as:
  - DegreeWorks - Student Degree Audit
  - Curriqunet - Curriculum Management
  - CampusLogic - Financial Aid Management
  - GavData/Argos/Tableau - Reporting Systems

- District identified that the Business Office needs additional tools that can increase efficiency and productivity
