

Vice President of Administrative Services

Definition:

Under direction of the Superintendent/President, plan, organize, coordinate, direct, administer, review and evaluate a variety of functions, programs, services and activities which provide technical, legal, contractual and operational direction and support for administrative operations supporting the district including finance (budget, accounting, internal and external auditing, payroll, purchasing and warehouse, facilities (planning, construction, building and equipment maintenance, custodial services and grounds maintenance), information systems (computer hardware, networks, systems, software and maintenance), contracted services (food service and bookstore), loss control (risk management) and public safety (law enforcement and campus security).

Distinguishing Characteristics:

This is a classified management position at a comprehensive community college district, reporting directly to the Superintendent/President. The incumbent must have broad experience in managing administrative services at an educational institution with a wide variety of programs, resources, activities and facilities, with an understanding of our educational vision and Principles of Community. The Vice President of Administrative Services provides leadership, professional development and supervision for academic and classified staff involved in the delivery and administration of a comprehensive administrative program. The incumbent works closely with the Superintendent/President to facilitate achievement of goals and objectives consistent with the district's integrated plans and mission and goals, and also formulates, develops and implements administrative programs and services, policies, standards and activities in compliance with a variety of federal, State, local laws, regulations, policies and procedures, and Board of Trustees approved policies.

Essential Duties: The following duties are typical of those performed by employees in this job title; however, employees may perform other related duties, and not all duties listed are necessarily performed by each employee in the job title.

- Provide supervision, vision and leadership for all administrative services support functions, programs, services and activities; formulate, develop and implement administrative support systems, policies, standards and procedures which meet the needs of the district.

- Direct the development of short- and long-range plans for assigned district functions in coordination with the leadership and supervision of major district departments.
- Communicate closely and comprehensively with the Superintendent/President on all matters within the departments assigned to the VPAS in routine reports, procedural manuals, emails, professional training, development planning for each department, annual goal setting and employee evaluation.
- Assure the accurate and timely preparation and submittal of annual district capital and operating budgets; institute and maintain appropriate internal audits and budgetary controls; assure timely and accurate preparation of enrollment and revenue projections and consolidation of all departmental budgets; assure preparation of financial segments of district's short- and long-range master plan; assure timely and accurate preparation, distribution, review and analysis of a variety of financial reports, statements, projections and records.
- Assure proper accounting and auditing of all district funds; assure that contracted services are negotiated, monitored and administered in compliance with legal requirements; assure cost-effective procurement of goods and services within policy guidelines and legal requirements; assure preparation of complex bid specifications and development of award criteria; assure
- contract compliance; review and revise procurement guidelines as necessary; assure that public safety personnel function within scope of authority according to State and federal laws.
- Work toward assuring that all district management and student information systems are integrated and available for use by appropriate personnel to provide optimal information for institutional research, planning, enrollment management, budget, human resources and other district operations.
- Attend and chair district committees, task forces and other meetings; represent the Superintendent/President and the district in the business community and at local, regional or State meetings, workshops and conferences; maintain liaison with appropriate government agencies and professional organizations.
- Attend Board meetings and make oral presentations; serve as a member of the Superintendent/President's Cabinet; advise Superintendent/President on Board agenda items and management issues, including recommendations for new or revised policies and procedures. Create written policies, create streamlined procedures and research innovative practices as appropriate to meet district objectives.

- Review and evaluate effectiveness of assigned personnel, programs and services; assure development and implementation of corrective action, improvements or additional programs and services as necessary; provide a climate which encourages staff development in formulation of job objectives and provide for staff participation to achieve goals and objectives for assigned services; recommend operational changes to increase efficiency, effectiveness and quality of all district services.
- Assure compliance with a variety of applicable laws, rules, regulations and restrictions related to district operations, financial transactions and expenditure of district funds.
- Work with and assist the Superintendent/President in setting and achieving district goals and objectives, developing and implementing plans and programs which assist the colleges in meeting the educational needs of the college community, and identifying and obtaining alternative funding for the district. This includes working with the Educational Foundation and Alumni Relations Board to develop fiscal reports, assist with procedures and policies, bylaws and fundraising.
- Communicate with district management and personnel to resolve complex issues and respond to questions; provide status reports, analysis, recommendations and information; represent the district to community members, public agencies, contractors and others.
- Review and analyze cost estimates, lease agreements, contracts, grant applications and special reports for legal compliance and financial impact; respond to and act on questions, inquiries, crisis and other situations on behalf of Superintendent/President during Superintendent/President's routine absence from district.
- Maintain current knowledge of new and pending legislation related to State and federal community college district financing, facilities construction and maintenance, public procurement, public safety, and other areas of responsibility; recommend legislation which could benefit the district.
- Assist with the Measure X Project management team in collaboration with the Superintendent/President and other facilities projects as assigned.
- Perform related duties as assigned.
