BACKGROUND

- A. District has given permission for Participant to participate in the Program.
- B. Participant acknowledges, warrants and represents that Participant has received and fully read and completely understands the information provided by District in the Program packet and that Participant has been fully advised as to the cultural, safety and health differences issues and problems presented thereby, and numerous potential problems and dangers of the Program.
- C. Participant wishes to participate in the Program.
- D. Participant and District intend to be legally bound by the terms of this Agreement including Participant's releases and indemnity of District.

In consideration of my voluntary participation in this Program, I hereby agree as follows:

1. **Standards of Conduct.**

- A. I agree that throughout the Program, I will conduct myself in accordance with all applicable statutes, ordinances, and other laws including but not limited to District's Student Code of Conduct, all Program rules established by District, and laws, regulations, orders, and requirements of duly constituted public authorities of the countries or states where the Program takes place. I understand and agree that abuse of alcoholic beverages, or use or possession of narcotics or any other illegal substance on the Program is expressly prohibited.
- B. I understand that each foreign country has its own laws and standards of acceptable conduct, including dress, manners, morals, politics, drug use and behavior. I recognize that behavior which violates those laws or standards could harm College's relations with those countries and the institutions therein, as well as my own health and safety. I will become informed of and will abide by all such laws and standards for each country to or through which I will travel during the Program.
- C. I acknowledge and understand that any violation of the foregoing or any disciplinary disturbances could lead to sanctions being imposed on me that are consistent with District's Student Discipline Policies and Procedures, including, but not limited to my expulsion from the Program and/or College and referral of any violations to the Vice President of Student Services.
- D. I will attend to and assume responsibility for any legal issues or problems I encounter with any foreign nationals or government of the host country. District is not responsible for providing any assistance under such circumstance.

2. **Program Guidelines.** I understand the Study Abroad Program Guidelines, which were provided to me by the Program coordinator, are hereby incorporated by reference and made a part of this Agreement.

3. **Termination.** I agree that District's supervisory personnel on the Program have the right to terminate my participation in the Program if it is determined by them in their sole discretion that my conduct violates any of the laws and rules described herein, or is detrimental to me or other participants or supervisory personnel, or in conflict with the program, or is out of harmony with the best interests and welfare of the group as a whole.

STUDY ABROAD PARTICIPANT AGREEMENT

I further agree, if expelled from the program, to be responsible for all expenses incurred in returning to the United States. I further agree and understand that the violation of any rules or regulations may be just cause for my suspension or expulsion from College. In the event I am returned home, I agree no monies paid for or in connection with the Program will be refunded.

4. **Independent Activity and Travel.** I agree and warrant that District cannot and shall not be held responsible in any way for my safety needs or well-being during any period in which I am not directly participating in the Program. This includes but is not limited to "free time" (including off hours and breaks) during the Program. I understand that District is not responsible for any injury or loss I may suffer when I am acting or traveling independently or am otherwise separate or absent from any District supervised activity. I waive and release all claims against District that arise at a time when I am not under the direct supervision of District or that are caused by my failure to remain under such supervision or to comply with such rules, standards, and instruction. I understand that any travel I do independently on my own before or after the conclusion of the Program is entirely at my own expense and risk.
5. **Institutional Arrangements.** I understand that District does not represent or is not an agent of, and has no responsibility for, any third party, including but not limited to host institution, host family, transportation carrier, hotel, or tour organizer, which may provide any services including food, lodging, travel or other goods or services associated with the Program. I understand that District is providing these services only as a convenience to me and that accordingly, District accepts no responsibility, in whole or in part, for delays, loss, damage or injury to persons or property whatsoever, caused to me or others prior to departure, while traveling or while staying in designated lodging. I further understand that District is not responsible for matters that are beyond its control. I acknowledge that District reserves the right to cancel the trip without penalty or to make any modifications to the itinerary and/or academic program as deemed necessary by District. I also acknowledge that District is not obligated to refund any Program fees if District cancels the trip as a result of a United States Department of State travel advisory for the country of the Program or as a result of any other safety or health related issues as deemed necessary by District.
6. **Health and Safety.** I have been advised to consult with a medical doctor with regard to my personal medical needs. I am aware of all applicable personal medical needs. I state that there are no health-related reasons or problems that preclude or restrict my participation in this Program. I agree to complete and provide District a Medical Self-Assessment, attached hereto as Exhibit A and incorporated herein by reference. I have obtained the required immunizations, if any.
7. **Medical Consent.** In case of any medical emergency (physical or mental) occurring during my participation in this Program, I hereby grant to District or any of its representatives of the Program the full authority to take any action deemed necessary to protect my mental or physical health and safety, including but not limited to, placing me under the care of a doctor or in a hospital or any place for medical examination and/or treatment, including the administration of an anesthetic and surgery, or returning me to the United States at my own expense if such return is deemed necessary after consultation with medical authorities. I agree that District is not obligated to attend to any of my medical or medication needs, and I assume all risk and responsibility therefore. I further agree District is not required to take any such actions if it is not aware of any emergency or in its discretion determines no emergency exists. Should the need arise District is authorized to provide any of my personal information to any health care provider. I agree to complete and provide District a Emergency Contact Information form attached hereto as Exhibit B and incorporated herein by reference. I understand that I may be required to pay up front for any such treatment that I incur while traveling and in the host county. I agree to assume all costs related to any such treatment and release District from any liability for any actions.
8. **Insurance.** I understand that I am required to have adequate health insurance, accident disability, and hospitalization insurance coverage for the duration of my participation in the Program. Adequate coverage provides for medical and hospital care, emergency medical evacuation, and repatriation. I further understand that I will be required to purchase a policy that will cover me if my current one does not. I agree to provide District with verification of such coverage prior to my participation in any Program travel. I agree to complete and provide District a Health Insurance Verification form attached hereto as Exhibit C and incorporated herein

STUDY ABROAD PARTICIPANT AGREEMENT

by reference. I recognize and accept that District has no obligation to provide such insurance. I understand and agree that District assumes no liability for any medical, hospital, other health care provider, and/or related expenses I incur while on the Program, and I will be personally responsible for any and all medical, hospital and/or related expenses incurred by me while in the Program and any breaks. I understand that I am responsible to submit any medical receipts to my insurance carrier upon my return.

9. **Indemnification.** Notwithstanding any insurance coverage which may be in effect and in addition to any additional undertakings referred to herein, I, to the extent allowed by law, shall defend, indemnify and hold District, it's Board of Trustees, agents, employees, representatives and volunteers free and harmless from and against any and all liability, claims, losses, expenses, judgments, or demands, including the obligations of District, it's trustees, agents, employees, representatives and volunteers, on account of any similar Agreement District, it's trustees, agents, employees, representatives and volunteers has with me, including demands arising from injuries or death of persons and damage to property, arising directly or indirectly out of my participation in the Program, save and except for claims or litigation arising from the willful misconduct of District and I will make good and reimburse District, it's trustees, agents, employees, representatives and volunteers for any expenditures, including reasonable attorney's fees, that District, it's trustees, agents, employees, representatives and volunteers may make by reason of such matters and, if requested by District, it's trustees, agents, employees, representatives and volunteers, I will defend such suit at the sole cost and expense to me.
10. **Program Changes.** I understand that District reserves the right at any time, prior to or during the Program, to make cancellations, changes or substitutions in case of emergency or changed conditions, or in the interest of the Program. Prior to Program departure, District further reserves the right to alter the costs in order to meet unexpected changes in air fares, hotels, or other living accommodations and the like (as the amount of fees is based on current tariff rates and expenses that are subject to change). I acknowledge that such alternates may create greater risks than the original plans. I further understand that should the Program, or any portion of the Program, be changed or cancelled, District shall have no responsibility beyond the possible refund of deposits made or monies paid to District by me. Minor alterations in the program will not result in refunds.
11. **Miscellaneous.**
 - A. I understand that District assumes no liability or responsibility whatsoever for any personal property that I bring on the Program.
 - B. I understand District does not in any way warrant or represent as to the conditions or standards of the living arrangements for me or assure that different participants on the Program will have equal accommodations or accommodations with the same proximity to the classes. There is a lot of variety in living arrangements. The general standard may be substantially below that which I have experienced in the United States. This is particularly true of third-world countries.
 - C. I acknowledge that in living and traveling in major international cities abroad, I may experience problems associated with urban living, including but not limited to increased crime, pollution, high population density, or standards of living and health standards that are not equivalent to life in the United States. I must take every precaution to safeguard my health and to protect personal belongings from damage or theft. District recommends I never travel alone, particularly at night. Being alone, particularly at night, may present additional danger to my safety and well-being.
 - D. (Applicable to women participants) I acknowledge that women may experience unique difficulties while abroad. Although the rate of violence toward women including rape is higher in the United States than in many other countries, the mere fact of facing the unfamiliar can raise my anxiety level which is compounded by language and cultural differences and by the unfortunate fact that people in other countries have acquired knowledge of United States women through distorted and stereotyped media images used in television, movies and advertising.

STUDY ABROAD PARTICIPANT AGREEMENT

- E. I understand that if I incur and fail to pay any financial obligations for the Program, and/or pursuant to the terms of this Agreement including damages to living or educational accommodations, unpaid fees for travel, contractor services, etc., such failure may cause my grades and records to be withheld until such financial obligations are satisfied by me.
 - F. I agree to advise District immediately of any incident which involves or causes any harm to me. If I decide to leave the Program, I shall advise in advance District's representative.
 - G. I agree that if I become separated from the Program group, fail to meet a departure airplane, bus, or train or become sick or injured, I will, to a reasonable extent, and at my own expense seek out, contact, and reach the Program group at its next available destination.
12. **Authority.** I represent and warrant that I am eighteen (18) years of age or older, have the authority to execute this Agreement, and am not under guardianship, conservatorship, or other legal authority.
13. **Signature.** In signing this Agreement I acknowledge and represent that I have carefully read the terms and conditions of participation and agree to abide by them, and understand the potential dangers incident to engaging in this Program. I acknowledge that I am fully aware of the legal consequences of this Agreement and agree to its terms and understand that I am releasing and waiving certain rights and assuming the risk of injury and damage from my participation in the Program.
