Proposal:

That the Board of Trustees approves a Second Amendment to the Donation Agreement and Joint Escrow Instructions for Coyote Valley Campus Acquisition in order to receive reimbursement from the Sobrato Organization for \$137,116.06 in Coyote Valley Educational Center Phase 1 Habitat Conservation Plan fee expense.

Background:

The District and Sobrato Interests 2, a California limited partnership formerly known as Campus Park Associates, a California limited partnership, entered into an agreement on October 17, 2006 for the purchase and donation of real property for the Gavilan College Coyote Valley Educational Center located within the City of San Jose on Bailey Avenue. The Board of Trustees subsequently approved a First Amendment to that agreement on October 14, 2008.

The original agreement contained a provision where the Sobrato Organization is to donate up to \$850,000 to reimburse the District for its California Tiger Salamander Habitat Mitigation fee expense. Subsequent to that agreement, the District was approved to enter as a Participating Special Entity into the Santa Clara Valley Habitat Agency's Habitat Conservation Plan. As part of that Plan, the District paid \$137,116.06 in fees to the Habitat Agency for the Phase 1 project on the Coyote Valley site. This Second Amendment allows the Sobrato Organization to instead reimburse the District for those Phase 1 HCP fees from the previously designated Mitigation Fee donation.

Budgetary Implications:

Reimbursement for previous Measure E Bond Program Fund expenditure.

SECOND AMENDMENT TO DONATION AGREEMENT AND JOINT ESCROW INSTRUCTIONS (COYOTE VALLEY PROPERTY)

PREAMBLE

This Second Amendment to Donation Agreement and Joint Escrow Instructions ("Second Amendment") is between Sobrato Interests 2, a California limited partnership (formerly known as and who entered into the Existing Donation Agreement (defined below) as Campus Park Associates, a California limited partnership) ("Owner"), and the Gavilan Joint Community College District, a California Public Agency ("District"), on the terms and conditions which follow.

RECITALS

- A. District and Owner entered into that certain Donation Agreement and Joint Escrow Instructions with an effective date of October 17, 2006 (the "Original Donation Agreement"), for the donation of certain real property located in the Coyote Valley area of the City of San Jose, Santa Clara County, California (the "Donation Property"). The Original Donation Agreement was amended by a First Amendment To Donation Agreement and Joint Escrow Instructions between Owner and District with an effective date of October 14, 2008 (the "First Amendment"). The Original Donation Agreement, as amended by the First Amendment, is referred to in this Second Amendment as the "Existing Donation Agreement".
- At the time of entering into the Original Donation Agreement, the parties В. contemplated that the Mitigation Requirements described therein would be satisfied either by Owner securing California tiger salamander mitigation habitat by way of one or more conservation easements, and donation of such rights to the District, or by the donation of a sum of money, all subject to and as more particularly described in the Original Donation Agreement. Since entering into the Original Donation Agreement, however, District has applied for and has been approved to mitigate the first phase of District's Project through the Santa Clara Habitat Conservation Plan ("HCP") (which was established after Owner and District entered into the Original Donation Agreement), by the payment of the sum of One Hundred Thirty-Seven Thousand One Hundred Sixteen Dollars and Six Cents (\$137,116.06) to the Santa Clara Valley Habitat Agency ("Habitat Agency") that administers the HCP (the "Phase 1 Mitigation Fee"). District has advised Owner that it has paid the Phase 1 Mitigation Fee to the Habitat Agency and has requested that Owner make a cash donation to District in the amount of the Phase 1 Mitigation Fee in partial satisfaction of Owner's obligations under the Existing Donation Agreement relating to Mitigation Requirements, and Owner is willing do so, on the terms and conditions set forth in this Second Amendment.

NOW, THEREFORE, FOR A VALUABLE CONSIDERATION, the Parties agree to the following amendments to the Existing Donation Agreement:

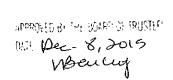

APPROVED BY 'HI WARD OF TRUSTLE'

DATE Dec 8,2015

AMENDMENTS TO EXISTING DONATION AGREEMENT

- 1. Not later than five (5) business days after the Second Amendment Effective Date (defined in Section 4 below) Owner shall make a cash donation to District in the amount of the Phase 1 Mitigation Fee (the "Phase 1 Mitigation Fee Donation"). The Phase 1 Mitigation Fee Donation shall be fully credited against Owner's obligations under the Existing Donation Agreement relating to Mitigation Requirements. Without limiting the foregoing, upon making the Phase 1 Mitigation Fee Donation to District, the Eight Hundred Fifty Thousand Dollar (\$850,000) cap on the amount which Owner may be required to pay to District pursuant to Section 3.2 of the Original Donation Agreement shall be reduced to Seven Hundred Twelve Thousand Eight Hundred Eighty Three Dollars and Ninety Four Cents (\$712,883.94). The Phase 1 Mitigation Fee Donation shall constitute a cash donation pursuant to Section 3.2 of the Original Donation Agreement, requiring the execution and delivery by District of a written acknowledgment of donation and IRS form in accordance such Section 3.2.
- 2. Each capitalized term not otherwise defined in this Second Amendment shall have the meaning assigned to it in the Existing Donation Agreement.
- 3. The parties acknowledge and agree that the mutual promises contained in this Second Amendment are adequate consideration for this Second Amendment.
- This Second Amendment shall become effective when it has been fully executed by the Owner and the District, and approved or ratified by the District's Governing Board. When the date that this Second Amendment becomes effective (the "Second Amendment Effective Date") has been determined, such date shall be inserted in the date blanks provided above the Parties' signature blocks appearing below. Except to the extent modified by this Second Amendment, the Existing Donation Agreement remain unchanged and in full force and effect. In the event of a conflict between this Second Amendment and the Existing Donation Agreement, this Second Amendment shall control. Except for any reference to "Effective Date of this Agreement" in the Original Donation Agreement or as used in Section 21, 8.1 and the first sentence of Section 8 of the Original Donation Agreement, and except for the last reference to "Agreement" in the first sentence of Section 5.1 A. of the Original Donation Agreement and in the IN WITNESS WHEREOF line above the Parties' signatures in the Original Donation Agreement, from and after the Second Amendment Effective Date, (i) the term "Agreement", as used in the Existing Donation Agreement and this Second Amendment shall mean the Existing Donation Agreement as modified by this Second Amendment, and (ii) the term "Donation Agreement", as used in the Existing Donation Agreement and this Second Amendment shall mean the Existing Donation Agreement as modified by this Second Amendment. This Second Amendment may be executed in counterparts, each of which shall be considered an original, and together shall constitute one and the same document.

SUBJ	ECT: FY 2014 - 2015 Measure E General Obligation Bond Audit Repo	orts
	Resolution: BE IT RESOLVED,	
	Information Only	
X	Action Item	

Proposal:

That the Board of Trustees accept the FY 2014 - 2015 Measure E General Obligation Bond Audit Reports.

Background:

The certified public accounting firm of Gilbert Associates, Inc. has completed the Measure E Audit Reports. The report is for board review and acceptance. The financial statements are the responsibility of the District's management. The auditor's responsibility is to express opinions on the financial statements based on their audit.

In the interest of reducing paper, hard copies of the Measure E Audit Reports are attached for board members only. The Measure E Audit Reports can be found at www.gavilan.edu under the tab "About Gavilan", "Budget Information". Hard copies are available upon request from the Office of the President.

Measure E Bond Performance and Financial Audit Reports

Gavilan's Measure E Bond is a Proposition 39 bond. Proposition 39 requires that an annual comprehensive performance audit and financial audit be conducted. The Measure E Bond Audit Reports will be presented to the Citizens' Bond Oversight Committee at their next meeting.

Performance Audit Report - The auditors' Performance Review Audit Report did not reveal any items that were paid from the Measure Bond Construction Fund that did not comply with the purpose of the Bonds that were approved on March 2, 2004. It is the opinion of our auditors that Gavilan Joint Community College District "expended Measure E General Obligation Bond funds for the year ended June 30, 2015 only for the specific projects developed by the District's Governing Board and approved by the voters, in accordance with the requirements of Proposition 39, as specified by Section 1(b)(3)C of Article XIII A of the California Constitution."

<u>Financial Audit Report</u> - It is the opinion of our auditors that the financial statements "present fairly, in all material respects, the financial position of the Bond Fund of Gavilan Joint Community College District as of June 30, 2015, and the changes in financial position for the year then ended, in accordance with accounting principles generally accepted in the United States of America".

APPROVED BY THE SOARD OF TRUSTLEY
DATE 1/12/16
W Beiley

For both Measure E Audit Reports, there were no management comments or findings representing reportable conditions, material weaknesses, or instances of noncompliance related to the audit.

Representatives from Gilbert Associates, Inc. will review both Measure E Audit Reports with the Board of Trustees.

Budgetary Implications:

This report satisfies Federal and State reporting requirements.

Follow Up/Outcome:

Review with the Citizens' Bond Oversight Committee at their next meeting.

Gavilan Joint Community College District Governing Board Agenda

January 12, 2016

Consent Agenda Item No. Information/Staff Reports No. Discussion Item No. Old Business Agenda Item No. New Business Agenda Item No.	Administrative Services		
SUBJECT: Memorandum of Und Safety Training Cons	erstanding with the South Bay Regional Public ortium		
Resolution: BE IT RESOLVED), that Resolution No. be approved.		
Information Only			
X Action Item			
Proposal: That the Board of Trustees approve a Memorandum of Understanding (MOU) with the South Bay Regional Public Safety Training Consortium for payment of its share of the costs of occupancy at the new Coyote Valley Educational Center site which will result in estimated debt service payments of up to \$375,000 a year.			
Background: South Bay Regional Public Safety Training Consortium (Academy) was created in 1994 by Gavilan College and Evergreen Valley College through a California Community College Chancellor's Office Grant. Since 1994, nine additional colleges have joined this innovative partnership to support public safety training within their local communities. Today, the Consortium is comprised of Gavilan College, Monterey Peninsula College, College of San Mateo, Lake Tahoe Community College, Cabrillo College, Mission College, Hartnell College, Foothill College, Ohlone College and San Jose Evergreen Community College District.			
When the new Coyote Valley Educational Center Phase 1 facility is completed in the late Fall of 2016, the Academy will move from their current location at Evergreen Valley College, and operate at the new Phase 1 facility during the day. The cost to complete the Phase 1 facilities is estimated to be \$21,651,000. Since approximately \$11 million of Measure E funds currently remain in the Coyote Valley budget for Phase 1, the District will need to arrange for \$10 million in interim financing to complete the construction. As long as the financing is outstanding, it is anticipated that the Academy will share in the costs of the debt service. The purpose of the MOU is to detail those cost sharing terms and occupancy of the facilities to be used for public safety training.			
Budgetary Implications: None.

Follow Up/Outcome:

Enter into agreement with the South Bay Regional Public Safety Consortium to reflect the terms and conditions of this MOU.
