22. Additional Comments

19. Please use this text box to provide any comments regarding the data submitted in this report (optional, no limit).

Gavilan developed the new Institutionally Set Standards(ISS) in the spring of 2021. At that time, all certificates were counted, including Certificates of Proficiency and some with less than 16 units were
included. As such, the ISS might be further evaluated for revision. This Annual Report reflects the correct actual numbers.

The data source for employment rates for Career and Tech Ed students is Perkins data.
