MISSION

Gavilan College cultivates learning and personal growth in students of all backgrounds and abilities through innovative practices in both traditional and emerging learning environments; transfer pathways, career and technical education, developmental education, and support services prepare students for success in a dynamic and multicultural world.

PRESIDENT'S MESSAGE

Gavilan College is here to help you succeed. Our programs of study in Liberal Arts and Sciences, and Career Technical Education, can prepare you to transfer to a four-year university, or enter the workforce.

We have opened a Welcome Center for new students to help you get started, and a Student Success Center to make sure you have the resources to succeed during your crucial first year.

The college is implementing many of the recommendations of the statewide Student Success Initiative -- you will see some changes over the coming semesters regarding enrollment priority, class repetition, and the maximum number of units students can take at the California resident rate. These changes are statewide, and are designed to make colleges more responsive to the needs of students seeking degrees, certificates, or transfer.

Gavilan College has added support to help you succeed in your goals. Please take advantage of the Welcome Center, Student Success Center, DegreeWorks, counseling and orientation. These services can make a positive difference in your academic career.

Superintendent/President
Steven M. Kinsella

General Information

Attendance If you fail to attend the first class session you may be dropped by the instructor in order to admit waiting students. It is your responsibility to drop the course. Do not assume that the instructor will do so. You MUST officially withdraw from a class before the refund deadline in order to receive a refund, even if you have never attended the class.

Advisories A course advisory is recommended preparation for a course. It is not a prerequisite to taking a course but is strongly suggested that the advisory be met prior to enrollment, as success in the course may depend upon having that skill or knowledge level. This becomes critical in being able to read and understand college textbooks.

Campus Safety and Crime Statistics Contact the Gavilan College Security Department at **408-710-7490 (or dial "10" from any campus extension)** to report criminal or potential criminal activity. Campus safety information and crime statistics are available online at www.gavilan.edu/safety. If you would like a hard copy of this information, copies are available at the Campus Security office (S/F bldg.) or call 408-848-4703 to have a copy mailed to you.

Course Repetition Each course may be attempted a maximum of three times at the same college. An "attempt" is any enrollment in a course after the "No Record Shown" deadline, and that is recorded on your transcript as a "W", "I", "CR", "NC", "P", "NP", or a letter grade (A, B, C, D, F, etc.). Registration for the third attempt must be accompanied by a statement of understanding of repeat limits signed by the student and a counselor along with a registration or add card also signed by the counselor. Students wishing to make appeals should visit the Admissions and Records office.

Pass/No Pass, Letter Grade Option Some courses have the option of a final grade of Pass/No Pass or a traditional letter grade of "A", "B", "C", etc. The grading option is shown by the class listing in the schedule. See 2011-2013 Catalog for details.

Prerequisites and Co-requisites A **prerequisite** is a course or skill level that is required **before** you can enroll in another course. Courses used to meet prerequisite requirements must have been completed with a "C" grade or better or "Pass". A **co-requisite** is a set of courses that you must take at the same time.

Challenging a Prerequisite: If you believe that you have the equivalent of a prerequisite through other means (courses at another college, AP tests, work experience, etc.) already fulfilled a prerequisite, or that a prerequisite has been improperly established or implemented, you may challenge the prerequisite by filing a **Challenge Form**. See Course Catalog for details.

Student Life - 408-852-2849

Student Activities Office supports students in the development of skills through participation in student life and campus activities. This office supports the ASB and student clubs and coordinates campus-wide events.

Associated Student Body (ASB) 408-848-4777

is the official student organization on campus and provides the majority of student input and recommendations on critical campus issues to faculty, staff, administration and the Board of Trustees.

Student Senate is a representative body of students who meet weekly to plan, implement and evaluate college activities and services that meet the needs of Gavilan College students. Any student who meets the requirements of the ASB's by-laws may become a voting member of the Student Senate. The elected and appointed officers provide a liaison between the students and academic departments and student services. The variety of leadership positions allows for different levels of involvement so that students can balance their academic and extracurricular loads effectively.

The political and practical leadership skills that students develop through the ASB are supplemented through a leadership course offered through the Political Science and Psychology Departments (POLS 27; PSYC 27). The curriculum includes practical skills that are applicable to college-related opportunities and other professional and personal environments.

ASB Student Body Card revenue supports social and cultural activities on campus and provides the purchaser with free admission to athletic events, discounts at cultural events and free bluebooks and scantrons (testing supplies) in the bookstore. Community-wide businesses offer discounts to card holders such as reduced movie admissions, restaurant, gym, museum, computer and software discounts. ASB cards can be activated as library cards and come with 100 free prints. **Please note:** There is a \$2 charge for replacing lost ASB cards.

Gavilan Press 408-848-4837 The Gavilan Press, an independent student-run digital newspaper, gives students a real world journalism experience, training in industry tools, and a public forum for their ideas and opinions. The newspaper has covered events, issues and people that shape, reflect and define the college and the world since 1967. The Gavilan Press is available online at www.gavilanpress.com.

Rho Alpha Mu - Honor Society 408-848-4897

is the Gavilan College chapter of Alpha Gamma Sigma, the California Community College Honor Scholarship Society. Its purpose is to recognize student scholarship, contribute to the social and cultural life of the campus and to provide and promote active involvement with the larger community through voluntary community service activities. Membership is open to all those with at least a 3.0 grade point average. There are a number of financial award possibilities for members in good standing.
