# First Year Experience

## A Wise Choice

First Year Experience (FYE) is a program in place in many colleges across the country.

This program was developed because research has shown that students who make connections with their teachers, classmates, and campus are more likely to succeed.

## What is FYE?

At Gavilan, this program links required English courses together and provides tutoring and counseling. How do students benefit? By working together with your classmates and instructors, you will develop a stronger network of support. Students who enroll in FYE often report:

- Higher GPA
- Increased involvement in school
- More friends
- More fun in school
- Ability to meet goals
- Stronger critical thinking, reading and writing abilities
- Saving time and money
