

# College Level Examination Program (CLEP)

2024-2025

You may be granted nontraditional academic credit (e.g., military service, credit by examination, USAFI, CLEP, AP, etc.) upon proper application and, with the exception of Advanced Placement, the successful completion of 12 credit units at Gavilan College with a cumulative grade point average of no less than 2.0. University of California does not grant credit for College Level Examination Program (CLEP) exams. CLEP credit WILL NOT be used to certify the Intersegmental General Education Transfer Curriculum (IGETC). Some California State Universities will grant credit for certain areas, and some will not grant credit at all. Transfer students are advised to contact the university they will be attending for specific information regarding CLEP credit.
