IMPORTANT THINGS TO REMEMBER- All loans are reviewed on a case-by-case basis

- ✓ You must submit a 2023-2024 FAFSA application and all requested documents. Your financial aid file must be complete.
- ✓ You must be enrolled in a minimum of 6-degree applicable units associated with your Ed Plan.
If you fall below ½ Time Enrollment all Direct Loan disbursements will be canceled and returned to the Dept. of Education.
- ✓ Loans are considered financial aid and are subject to **Satisfactory Academic Progress (SAP)** review. You must demonstrate academic progress at the time of applying and during the loan period. Loan request may be denied or cancelled if SAP is not met. For example, if you do not earn at least 67% of your units with a 2.0 GPA or higher for Fall 2023 term, you will lose your loan eligibility for the Spring 2024. Any remaining loan disbursement will be cancelled and returned to the Dept. of Education. SAP Policy available at: <http://www.gavilan.edu/finaid/sap.php>
- ✓ Not owe overpayment to Federal Grant Programs or be in Defaulted Loan status.
- ✓ Origination fee of 1.057% will be deducted from each loan disbursement you receive. You are responsible for repaying the entire loan amount borrowed.
- ✓ You may refuse your loan funds and cancel future disbursements at any time. **Note:** Upon request for cancellation, if your loans have been disbursed you may be responsible for returning the funds to the lender.
- ✓ Loan amounts may be reduced or denied for students that, in our **professional judgment**, are at serious risk for loan default. High levels of indebtedness, current and prior default or delinquent in financial obligations (loan and Grant overpayment history), coupled with small amount of academic progress in the academic year, are common indicators of high risk.
