- 7.2** In the exercise of this freedom the faculty member may, as provided in the U.S. and California Constitutions and other applicable laws, discuss his/her own subject or area of competence in the classroom, as well as any other relevant matters, including controversial matters, so long as he/she distinguishes between personal opinions and factual information.
- 7.3** Faculty shall be free from unlawful harassment or from unlawful interference or restrictions based on political views.
- 7.4** Faculty shall be free from any and all forms of electronic or other listening or recording devices, except with his/her express and non-continuing consent, except where allowed otherwise by law.

- 7.7** This Article is intended to declare the District's and Association's intent to allow those activities protected by constitutional freedom of speech and other forms of academic freedom protected by the laws of the State of California and the laws of the United States.

ARTICLE 8

PROFESSIONAL DUES OR FEES AND PAYROLL DEDUCTIONS

- 8.1** Any Faculty member included in the representation clause Article II who has not become a member of the Gavilan College Faculty Association shall be considered an agency-fee payer upon date of hire. The District will make automatic payroll deductions of fees equal to the membership dues initiation fees, and general assessments. A Unit Member may change her or his status from agency-fee payer to Association member by signing and delivering a membership application to the Association, who will notify the District of changes.

For full time faculty, the District shall deduct one-tenth (1/10) of such dues from the regular salary check of the Unit Member each month for ten (10) months. Deductions for Unit Members who start after the commencement of the school year shall be appropriately pro-rated to complete payments by the end of the school year.

For part time faculty, the District shall deduct such dues from the first four (4) pay checks at the beginning of each fall and spring semester. In the case of part-time faculty whose late-start or short term work does not extend through the full semester, and there are fewer than four (4) pay checks during a given semester, the deductions taken will satisfy the amount due for the duration of the semester worked.

If dues taken in a given semester exceed the amount due, the part time faculty member shall apply to Association for reimbursement by providing proof of overpayment.

Part-time faculty who provide proof to the Association of active CCA-CTA-NEA membership at another workplace shall be excused from paying state and national dues twice. If a part time faculty member is having dues taken from another District, Gavilan shall deduct the full amount due unless GCFA provides documentation that states otherwise.

The right of payroll deduction for payment of membership dues, initiation fees, and general assessments shall be accorded exclusively to the Association. There will be no charge to the Association for mandatory agency-fee deductions.

8.2 EXCEPTIONS

- 8.2.1** Any Unit Member who is a member of a religious body whose traditional tenets or teachings include objections to joining or financially supporting employee organizations shall not be required to join or financially support the Association as a condition of employment; except that such Unit Member shall pay, in lieu of a service fee, sums equal to such service fee to a non-religious, non-labor organization, charitable funds exempt from taxation under Section 501(c)(3) Title 26 of the Internal Revenue Code, chosen by such employee from the following list of three:

1. Community Foodbank, Hollister
2. St. Josephs Family Center, Gilroy
3. Community Solutions, Morgan Hill

8.2.2 Proof of payment and a written statement of objection, along with verifiable evidence of membership in a religious body whose traditional tenets or teachings object to joining or financially supporting employee organizations, pursuant to Paragraph 8.3.1 above shall be made on an annual basis to the District as a condition of continued exemption from the provisions of Paragraph

8.1 of this Article. Proof of payment shall be in the form of receipts and/or cancelled checks indicating the amount paid, date of payment, and to whom payment in lieu of the service fee has been made. No in-kind services may be received for payments, nor may payment be in any form other than money. Such proof shall be presented on or before the due date for cash dues or fees of each school year. The District shall have the right of inspection in order to review said statement of objection and proof of payment.

8.3 With respect to all sums deducted by the District pursuant to Paragraphs 8.1 above, whether for membership dues or agency fee, the District agrees to promptly remit such monies to the Association accompanied by an alphabetical list of Unit Members for whom such deductions have been made.

8.4 The Association agrees to furnish any information needed by the District to fulfill the provisions of this Article.

8.5 HOLD HARMLESS

8.5.1 The Association agrees to pay to the District all reasonable legal fees and legal costs incurred in defending against any court action and/or administrative action challenging the legality or constitutionality of the agency fee provisions of this Agreement or their implementation. The Association shall have the exclusive right to decide and determine whether any such action or proceeding referred to above shall or shall not be compromised, resisted, defended, tried or appealed.

ARTICLE 9

GRIEVANCE PROCEDURE

9.1 DEFINITIONS

- 9.1.1** A "grievance" is a written complaint by a Unit Member alleging a violation or misapplication by the District, its officers or agents of this Contract, which he/she claims has had an adverse effect on the grievant. Resolution of matters for which other procedures are specifically provided by federal or state law shall be undertaken through the appropriate procedures. These processes for resolution are limited to dismissals, HEW, EEOC, FEPC and OSHA claims.
- 9.1.2** A "grievant" is a Unit Member, a group of Unit Members, or the Association who submits a grievance.
- 9.1.3** A "party in interest" is any person who might be required to take action or against whom action might be taken in order to resolve the claim.
- 9.1.4** Day - A day, for the purposes of this Section, is any day (Monday through Friday) in which the main Gilroy campus District offices are open. If an event giving rise to a grievance occurs during a Unit Member's vacation or recess, other than a long-term leave of absence, a Unit Member shall be allowed fifteen (15) days after the scheduled return to duty within which to file the grievance.
- 9.1.5** Grievance Time Limits - The District will not process a grievance that is presented by a Unit Member forty-five (45) days after the occurrence or alleged occurrence of the event giving rise to the grievance or forty-five (45) days after the Unit Member should reasonably have known of the event.
- 9.1.6** Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit an appeal to the next step of the procedure within the time allocated had the decision been given. Failure to appeal a decision within the specified time limits shall be deemed an acceptance of the decision.

9.2 PURPOSE

The purpose of this procedure is to resolve the grievance at the lowest possible administrative level. Both parties agree that these proceedings will be kept as normal and confidential as may be appropriate at any level of the procedure.

9.3 PROCEDURE

9.3.1 LEVEL 1

- 9.3.1.1** A grievance shall be presented in writing to the immediate supervisor using the grievance form.
- 9.3.1.2** The immediate supervisor shall meet with the aggrieved party and/or designated Association representative within five (5) days of receipt of the grievance.
- 9.3.1.3** The immediate supervisor shall provide a written disposition of the grievance, including the reasons therefore, to all parties of interest within five (5) days of such meeting.

9.3.1.4 If the aggrieved party and/or the Association is not satisfied with the disposition of the grievance or if no disposition has occurred within five (5) days from the meeting noted in 9.3.1.3, the grievance may be appealed to Level 2, with a copy simultaneously provided to the Association President.

9.3.1.5 If a grievance arises from action or inaction on the part of a member of the Administration at a level above the immediate supervisor, the aggrieved party shall submit such grievance in writing directly to the President and the Association with the processing of such grievance to commence at Level 2.

9.3.2 LEVEL 2

9.3.2.1 A grievance shall be presented in writing to the President or his/her designee using the grievance form within ten (10) days from the time noted in 9.3.1.4.

9.3.2.2 The President or his/her designee shall meet with the aggrieved party and/or the Association representative within ten (10) days of receipt of the grievance appeal.

9.3.2.3 The President or his/her designee shall provide a written disposition of the grievance, including the reasons therefore, to all parties of interest within five (5) days of such meeting.

9.3.2.4 If the aggrieved party and/or the Association is not satisfied with the disposition of the grievance or if no disposition has occurred within five (5) days of such meeting or ten (10) days from the date of the receipt of the grievance at Level 2, the aggrieved party may request the Association to submit the grievance to arbitration.

9.3.3 LEVEL 3

9.3.3.1 If the Association proceeds to arbitration, it shall notify the District in writing.

9.3.3.2 Within thirty (30) days of such notification, representatives of the District and the Association shall attempt to agree upon a mutually acceptable arbitrator and obtain a commitment from said arbitrator to serve.

9.3.3.3 If the parties are unable to agree upon an arbitrator within the specified period, the Association shall file a demand to arbitrate to the California Mediation and Conciliation Service. In the event the California Mediation and Conciliation Service is not available or able to provide an arbitrator, both parties agree to use the American Arbitration Association.

9.3.3.4 The arbitrator's decision will be in writing and will set forth the findings of fact, reasoning and conclusions of the issues submitted. The District and the Association agree that the jurisdiction and authority of the arbitrator so selected and the opinions the arbitrator expresses will be confined exclusively to the interpretation of the express provision or provisions of this Agreement at issue between the parties. The arbitrator shall have no authority to add to, subtract from, alter, amend, or modify any provisions of this Agreement or impose any limitations or obligations not specifically provided for under the terms of this Agreement. The arbitrator shall be without power or authority to make any decision that requires the District or the Administration to do an act prohibited by law. The arbitrator shall not give any award of back pay that is retroactive to a date earlier than forty-five (45) days before the date the grievance was filed. The decision of the arbitrator shall be binding.

9.3.3.5 All costs for the services of the arbitrator, including, but not limited to per diem expenses, his/her travel and subsistence expenses and the cost of any hearing room, will be borne equally by the Board and the Association. All other costs, except for released time for the grievant(s), Association representative(s) and witnesses, will be borne by the party incurring them.

9.4 TIME LIMITS

- 9.4.1** Time limits provided for at each level shall begin the day following receipt of the grievance, grievance appeal or written decision.
- 9.4.2** Since it is important that grievances be processed as rapidly as possible, the time limits specified at each level should be considered to be maximums and every effort should be made to expedite the process. The time limits may, however, be extended by mutual agreement.
- 9.4.3** In the event a grievance is filed at such a time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, then upon request of the Association the processing of the grievance shall be deferred until the second (2nd) week of the next succeeding semester, excluding the summer session, unless the parties mutually agree to process the grievance during the summer for reasons of harm to the aggrieved person.

9.5 RIGHTS OF REPRESENTATION

A Unit Member alleging a grievance may be represented at all stages of the grievance procedure by an Association designated representative, unless the grievant makes different arrangements with the Association.

9.6 NO REPRISALS

No reprisals of any kind will be taken by the President or by any member or representative of the Administration or the Board against any aggrieved party, any party in interest, any member of the Association or any other participant in the grievance procedure by reasons of such participation.

9.7 MISCELLANEOUS

- 9.7.1** The Association, either in its own behalf or in behalf of the affected teachers, may initiate a grievance which affects more than one (1) teacher in a class action fashion.
- 9.7.2** When it is necessary for a representative designated by the Association to attend a grievance meeting or hearing during the day, he/she will, upon notice to the immediate supervising administrator by the President of the Association, be released without loss of pay in order to permit
- 9.7.3** participation in the foregoing activities. Any Unit Member who is requested to appear in such meetings or hearings as a witness will be accorded the same right.
- 9.7.4** All documents, communications, and records dealing with the processing of a grievance will be filed in a separate grievance file and will not be kept in or considered part of the personnel file of any of the participants.
- 9.7.5** Forms for filing grievances, serving notices, making appeals, making reports and recommendations, and other necessary documents shall be prepared by the District and mutually approved by the Association, and after mutual approval by the parties, given appropriate distribution so as to facilitate operation of the grievance procedure. The costs of preparing such forms shall be borne by the District.

- 9.7.6** Upon mutual agreement of the Association and the President, a grievance may be taken directly to arbitration.
- 9.7.7** A Unit Member may at any time present grievances to the employer, and have such grievances adjusted with the intervention of the Association, as long as the adjustment is reached prior to arbitration and such adjustment is not inconsistent with the terms of the written agreement. If an employee presents a grievance on his/her own behalf, the Association shall be notified and given the opportunity to present its views beginning at the informal level and all successive steps. The District shall not agree to a resolution of the grievance until the Association has received a copy of the grievance and the proposed resolution and has been given the opportunity to file a response.

LEAVES

10.1 FULL-TIME SICK LEAVE - ENTITLEMENT AND TRANSFER

- 10.1.1 FULL-TIME EMPLOYEES** - A full-time ten (10) month academic employee who must absent himself/herself from his/her duties because of illness or injury is entitled to ten (10) days leave per year. Employees whose contractual assignment is for more than ten (10) months shall be granted sick leave on the same basis -- one (1) day per service month.
- 10.1.2 ACCUMULATION AND TRANSFER** - Sick leave not taken may be accumulated from academic year to academic year.
- 10.1.3** At the beginning of each academic year every full-time faculty member shall be advanced a sick leave allotment credit, equal to his/her entitlement for the academic year. A full-time faculty member may use this credited sick leave at any time during the academic year. Use of sick leave will be reported in Quarter Day increments (.25/.50/.75/1.0).
- 10.1.4** Should a full-time faculty member resign or retire, the faculty member's last salary warrant shall be adjusted, if necessary, by any sick leave used but not earned. Under the DPRRA, an employee is entitled to take California Family Rights Act leave to care for the serious health condition of a registered domestic partner, or for the birth of a registered domestic partner's child.

10.15 PART-TIME NON-TENURED (TEMPORARY) FACULTY LEAVES

10.15.1 Part-time non-tenured (temporary) faculty members are entitled only to the leaves described in Article 10.15. Nothing in this Article shall be construed to entitle part-time non-tenured (temporary) faculty members to leave, benefits, pay or employment beyond the period of temporary employment specified in the part-time non-tenured (temporary) faculty member's temporary contract.

10.15.2 SICK LEAVE – Part-time non-tenured (temporary) faculty members shall be entitled to that proportion of ten (10) days sick leave as their assignment relates to that of a full-time tenured (regular) or tenured track (contract) faculty member. Pay for any day of absence shall be the same as the pay that would have been received had the part-time non-tenured (temporary) faculty member served during that day. Sick leave may be accumulated from year to year.

The calculation for sick leaves accruals for part-time faculty members per semester is as follows: semester load% * 5 equals number of sick days accrued for that semester. Example: For a 67% semester load, the calculation would be .67 * 5 = 3.35 sick days.

10.15.2.1 After the first census date for each semester, total sick leave allotment will be reconciled based on actual contractual load. Reconciliation of sick leave accruals will take place again at the conclusion of each semester to account for any changes to

load (i.e., late start classes, canceled courses, etc.). A part-time non-tenured (temporary) faculty member may use this credited sick leave at any time during the academic semester or intersession. Use of sick leave will be reported in Quarter Day increments (.25, .50, .75, and 1.0). For part-time non-tenured (temporary) faculty one "day" shall be constituted by that part-time non-tenured (temporary) faculty member's assignment on the day missed. Increments should be rounded to the nearest quarter. For example, if a part-time non-tenured (temporary) faculty member has three classes and misses one; 33 percent will be taken off, rounded to 25 percent. If that part-time non-tenured (temporary) faculty member misses two of three classes, 66 percent will be taken off, rounded to 75 percent. All sick leave absences shall be reported to the District.

- 10.15.2.2** Each part-time non-tenured (temporary) faculty member will have access to their accrued sick leave total in self-service Banner. Sick leave entitlement for the current academic semester will be loaded in self-service Banner within 45 calendar days following the first census for all courses taught by the faculty member. Faculty who notice a disparity in the accuracy of the leave balances in self-service Banner will report the disparity to the Payroll Office no later than 60 business days after noticing the disparity.
- 10.15.3 PREGNANCY DISABILITY LEAVE** – Part-time non-tenured (temporary) faculty members are entitled to use sick leave for disabilities caused or contributed to by pregnancy, miscarriage, and recovery therefrom on the same terms and conditions governing leaves of absence from other illness or medical disability. Sick leave shall not be used for child care, child rearing, or preparation for child bearing but shall be limited to those disabilities as set forth above. The length of such disability shall be determined by the part-time non-tenured (temporary) faculty member and the part-time non-tenured (temporary) faculty member's physician; however, District management may require a verification of the extent of disability through a physical examination of the part-time non-tenured (temporary) faculty member by a physician appointed and paid for by the District.
- 10.15.4 EXTENDED ILLNESS LEAVE** - If absence extends beyond the number of days of accumulated leave, the part-time non-tenured (temporary) faculty member will be paid the difference between their salary and that paid the substitute for a period not to exceed five (5) month, or until the end of the period of temporary employment, whichever comes first.
- 10.15.5 INDUSTRIAL ACCIDENT AND ILLNESS LEAVE** – Part-time faculty members shall be entitled to that proportion of the industrial accident and illness leave described in Article 10.5 as their assignment relates to that of a full-time tenured (regular) or tenured track (contract) faculty member. The leave shall be under the terms described in Article 10.5, except that the period of industrial accident and illness leave shall be for sixty (60) working days, or until the end of the period of temporary employment, whichever comes first.
- 10.15.6 PERSONAL NECESSITY LEAVE** – Part-time non-tenured (temporary) faculty members shall be entitled to use sick leave for personal necessity.

***10.15.6.2.2** Accident involving his/her person or property, or the person or property of a member of his/her immediate family.

***10.15.6.2.4** Acts of God rendering the part-time non-tenured (temporary) faculty member incapable of reporting to his/her assignment.

*The part-time non-tenured (temporary) faculty member is not required to secure advance permission.

10.15.6.3 Personal necessity leave not specified in other leave regulations may be granted upon the prior approval of the president or designee.

10.15.7 BEREAVEMENT LEAVE - each part-time faculty member shall be entitled to the amount of paid leave necessary to allow him or her to be absent for three consecutive week days, or for five (5) consecutive week days if travel beyond three hundred (300) miles or outside of the state is required, when absence is necessary on account of the death of any member of the immediate family, including loss by miscarriage or stillbirth. The part-time non-tenured (temporary) faculty member shall pay the district the “jury fees” received. The part-time non-tenured (temporary) faculty member shall give reasonable notice to the district that he or she is required to serve on jury duty.

10.15.9 LEGISLATIVE LEAVE – a part-time non-tenured (temporary) faculty member who is elected to the legislature shall be granted a leave of absence until the end of the period of his or her temporary employment.

Part-time faculty: See Section A

Non-tenured full-time faculty shall be evaluated at least once a year for four (4) years following the process outlined in Section B.

Tenured faculty shall be evaluated at least once every three (3) academic years (Education Code 87663(a)). See Section C.

The District agrees to indemnify and hold harmless any faculty member against any and all claims arising out of any evaluation conducted under the provisions of this Article.

The purpose of faculty evaluation are:

- 19.1.1 To measure the effectiveness of faculty performance and to identify those areas needing improvement and provide assistance for improved faculty performance.
- 19.1.2 To encourage continued growth in teaching and learning, campus and departmental relationships, and participation in the College governance.
- 19.1.3 To ensure compliance with District, State, and Federal accreditation policies and standards.
- 19.1.4 To provide reasonable criteria for granting reappointment and/or permanent and continuing status.

19.A.1. PART-TIME FACULTY EVALUATION PROCESS

19.A.1.1. Part-time (PT) faculty shall be evaluated one (1) time in their first semester teaching at Gavilan College by the area Dean or assigned dean if there is no area dean. In their third (3rd) semester of teaching, the faculty member will select a trained faculty observer (TFO) to conduct their observations. After rehire rights are earned, the faculty will be observed by a TFO every six (6) semesters. The area dean or supervisor may elect to conduct an additional evaluation in any semester, including those in which there is a regularly scheduled evaluation. The part time faculty evaluation process will consist of a classroom or work space observation by a trained faculty observer, an administrative summary, a self-evaluation, and student evaluations. The evaluation team for a part-time faculty member will consist of the assigned administrator and one (1) trained faculty observer. Additional evaluations can be scheduled at the discretion of the District. Off cycle evaluations do not disrupt nor displace the regular evaluation cycle.

19.A.1.2. For part-time faculty, notice of pending routine evaluation will be within the first three (3) weeks of the semester. Non-routine evaluations may be scheduled at the discretion of the assigned administrator.

19.A.1.3. Actual observations of work performance for all faculty shall take place between the fourth (4th) and the twelfth (12th) weeks of the semester in which the faculty member is scheduled to be evaluated.

19.A.1.4. The administrative member of the Evaluation Team, who is also responsible for seeing the process through to its conclusion, will be the appointed by the Chief Instructional Officer.

19.A.1.5. The Trained Faculty Observer shall be an active bargaining unit member of the GCFA. The faculty asked to do the observation may decline, at which point another TFO will be chosen, or the administrator on the team may aid in selecting the trained faculty observer (TFO). The faculty member may also ask the supervising administrator to conduct the observation. The trained faculty observer may be selected from a discipline outside of the faculty member's area of expertise. Division Deans, in conjunction Department Chairs, will assist faculty members with the selection of TFO's. If the faculty member does not have a designated TFO by week eight (8) the assigned administrator will appoint a TFO to conduct the observation.

19.A.1.6. The TFO will make at least one (1) class observation for not less than one full-contact hour (50 minutes) with a second (2nd) visitation being mandated at the request of the evaluatee or assigned administrator or visit the main work setting for non-instructional faculty for not less than a period of 50 minutes. The observation will be summarized in a written report and the TFO will present and discuss the written report with the faculty member being observed. For their participation TFOs can accrue three (3) flex and/or co-curricular hours OR receive payments as specified in 19.A.2.

19.A.1.7. The trained faculty observer and administrator will each schedule a post-observation meeting with the evaluatee. The TFO will discuss with the evaluatee the results of the observation and overall classroom performance, as certified on the cover sheet. An administrative evaluation summary, prepared by the supervising administrator, will be included as part of the final evaluation package after the TFO has met with the evaluatee. The final evaluation packet will include the cover sheet, classroom observation, self-evaluation, student evaluation summaries, and the administrative summary, will become part of the evaluatee's permanent personnel file. Final evaluation packets are due to the Office of Academic Affairs no later than the Friday of the 15th week of instruction.

19.A.2. FLEX/PAYMENT FOR TFOS

Training for faculty observers and administrators will be offered annually within the first month of the Fall semester. The District, Academic Senate, and GCFA representative(s) will co-design and offer the training. Flex and/or co-curricular hours can be awarded at the discretion of the TFO with prior approval from the supervising administrator for this training.

The trained faculty observer may be paid according to Appendix J per completed observation form. Any future increases to salary schedule will increase by the same percentage amount. In lieu of compensation, three (3) flex and/or co-curricular hours may be awarded at the discretion of the trained faculty observer with prior approval of the supervising administrator.

19.A.3. REMEDIATION PROCESS FOR PART-TIME FACULTY

19.A.3.1 If concerns are raised by either the TFO or supervising administrator, the supervising administrator and part time faculty member will meet to discuss the concerns, determine if a remediation plan is necessary, and if so, create a remediation plan.

19.A.3.2 REMEDIATION AND TIMELINE

Any areas of concern in the final evaluation report (i.e., cover sheet, trained faculty observer observation form, self-evaluation, student evaluation and administrative evaluation) will be reviewed with the faculty member and the supervising administrator as soon as they are identified. When remediation is required, as evidenced in the evaluation report, a remediation plan will be developed by the evaluatee and administrator outlining specific performance improvement objectives, timelines, and subsequent classroom observations.

Part time faculty whose performance is deemed unsatisfactory upon the first evaluation, may or may not, at the discretion of the supervising administrator, be offered a subsequent course-load assignment and/or a remediation plan for an upcoming semester.

After their first evaluation, continuing part-time faculty whose evaluation is deemed unsatisfactory shall work with the supervising administrator to develop a clear remediation plan with specific, reasonable goals, activities, and timelines.

Remediation Plan activities may include attending workshops or conferences on academic discipline material or on teaching and learning, observing other faculty members' classes, additional student observations, working with faculty or administrative mentors, and inviting further observations of his/her classes. Individual remediation activities will not be paid for using District funds or any paid time with the exception of flex time.

Administrators may conduct additional, non-routine, evaluations at their discretion, particularly to support a faculty member who is implementing a remediation plan.

Remediation timelines shall be limited to one or two semesters and be followed up by re-evaluation in the following semester. Timelines shall include follow-up meetings with the supervising administrator to discuss progress towards stated goals. Written administrative appraisals of its implementation shall become part of the evaluatees' personnel file. If a part-time faculty member receives two (2) consecutive unsatisfactory evaluations despite remediation, this will be grounds for the District's ceasing to offer assignments to that faculty member.

19.A.4. RIGHT TO RESPOND

Part-time faculty being evaluated shall have access to all materials used to make a given evaluation. They shall have the right to respond to any observer's written materials or verbal statements in writing, and to have their responses included in the record of evaluation. Responses to the evaluations must be submitted to the Office of the Human Resources no later than 10 days after the start of the term subsequent to the evaluation.

19.A.5. HOLD HARMLESS

The District agrees to indemnify and hold harmless any faculty member against any and all claims arising out of any evaluation conducted under the provisions of this Article.

19.B.1 TENURE REVIEW PROCESS – FOR NON-TENURED FULL-TIME FACULTY

All non-tenured full-time faculty will fall under the provisions of this Article. The information related to the tenure review process will be kept confidential within each tenure review committee and the faculty member undergoing the tenure review process.

In the evaluation process described below, a Tenure Review Committee will be formed. This Committee will consider all pertinent contractual obligations and materials (as noted in 19.B.1.2) needed to make a recommendation to the President of the College either to continue or not to continue employment.

19.B.1.1 The Tenure Review Committee shall consist of five (5) members: two administrators, including the supervising Vice President and the supervising Administrator; and three (3) faculty members appointed by the Academic Senate President, one (1) of whom shall serve as the tenure review committee Chair, all faculty appointees will be tenured. One of the faculty members should be in the tenured faculty members' discipline. If a faculty member in the discipline is not available, then a faculty member within the department or division should be selected. Changes in committee membership may be made by the College President or his/her designee due to the following circumstances: changes in assignments, leaves, retirements, resignations from the committee, peer observer conflicts, or mentor conflicts.

19.B.1.2 The following procedure shall be used in the evaluation of tenure-track faculty members:

- a. Self-evaluation: each contract faculty member will prepare a written self-evaluation report and will send a copy to the supervising administrator at least one week before the review conference. The supervising administrator will disperse the self-evaluation report to all members of the committee. The report shall include, but may not be limited to:
 - (1) Objectives for contribution to departmental or service area goals and additional criteria the faculty member deems relevant to his/her current assignment.
 - (2) Participation in activities including, but not limited to, professional growth, and FLEX, committee assignments, relevant community involvement and student activities, if applicable, and plans for continued involvement in these areas.
 - (3) A professional development plan including but not limited to FLEX activities that aligns with faculty professional and college goals.
 - (4) Extent to which the above objectives have been met since the contract faculty member's last report, if applicable.
- b. Observation of Primary Responsibilities: See Article 19.B.1.3.1
- c. Student Evaluation: A standardized student evaluation instrument approved by a joint committee comprised of Faculty Professional Learning Committee and Administration membership.
- d. Summary Evaluation completed by the Tenure Review Committee.

19.B.1.3 The Tenure Review Committee will be formed by August 30 of the first (1st) year of full-time employment of the non-tenured faculty. Faculty employed as a first-year contract employee who will not complete 75% of the academic year will be a first-year contract employee in the following academic year. The evaluation, therefore, will commence at that time. A Tenure Review Committee member shall not serve as peer observer or mentor of a non-tenured employee while serving on the Tenure Review Committee. If possible, the composition of the Committee will be the same for the second (2nd), and third (3rd) and fourth (4th) year.

19.B.1.3.1 Initial Preparation and Observations:

- a. The chair of the committee establishes which member will observe which course or work setting.
- b. Each member of the committee will contact the faculty member as close to the third week of the semester as possible to arrange for the class observation.

- c. Prior to the classroom observations, the faculty member will present a copy of their syllabus to the members of the committee, explain the nature of the courses and discuss their teaching methods, examinations, assignments, etc. as they relate to the stated course outcomes, as well as identify other non-classroom related responsibilities.

The committee will then begin a thorough review of the employee's performance using the appropriate Observation Forms. Committee members will observe the tenure track faculty members classes and/or non-classroom work situations for not less than one contact hour (50 minutes).

19.B.1.3.2 REVIEW CONFERENCE AND SUMMARY

Once observations have been completed, the committee will meet, review all information and make recommendations to the supervising administrator for inclusion in the evaluation. The supervising administrator is responsible for the draft of the summary evaluation. The summary evaluation may include positive comments and expectations for improvement with realistic timelines. If the committee has serious concerns about the employee's performance, a spring review may be initiated using the process outlined above for the fall semester.

19.B.1.3.3 REVIEW CONFERENCE

22.2 Full-time faculty shall schedule, post and maintain a minimum of five (5) office hours per week to confer with students, four (4) hours on campus on the instructor's class days, and one (1) hour to be arranged, with the prior approval of the immediate dean/administrator. 22.3.2 Each course in the College curriculum will carry a load percentage carried to two (2) decimal places. The load percentage for each course is derived through the application of the following formula:

$$\text{Course Lecture Hours} + (\text{Lab Equivalency Factor} \times \text{Course Lab Hours}) = \text{Course Load}$$

22.3.3 Where:

22.3.3.1 Course lecture and lab hours are established by the District.

22.3.3.2 The lecture equivalency factors of .65, .70, .75 are assigned to each course having laboratory hours, except that coaching lecture equivalency factors range from .50 to .60 as shown in Appendix F. In addition, the lecture equivalency factor for the non-credit instructional lecture/lab rate per hour will be .60. The minimum for unit members teaching in the Cosmetology, Computer Graphics and Design, and the Administration of Justice Programs will be 0.60.

- A. Full-time faculty member X teaches 18 LEH. Being over 16 LEH, this is an overload.
Thus, $18 \text{ LEH} - 15 \text{ LEH (base)} = 3 \text{ LEH}$
The District owes full-time faculty member X a 3 LEH adjustment.
 - B. Full-time faculty member Y teaches 12 LEH. Being under 14 LEH, this is an underload.
Thus, $15 \text{ LEH (base)} - 12 \text{ LEH} = 3 \text{ LEH}$
Full-time faculty member Y owes the District a 3 LEH adjustment.
- 22.4.3** Overloads and underloads for full-time faculty will be adjusted no later than two (2) semesters following the semester in which they occurred and in accordance with the provisions of Section 22.3.1. Alternatively, by mutual agreement, overload may be compensated per Article 25.
- 22.4.4** Special assignments may be given in lieu of teaching units as adjustments for underloads. These will be done in accordance with the provisions of Section 22.3.1.
- 22.4.5** Class cancellations which create overloads or underloads for full-time faculty shall be made only following consultation with the faculty member, Department Chair, and Administration.

PART-TIME FACULTY PROFESSIONAL ANCILLARY ACTIVITIES

26.1 This Article identifies some of the specific duties performed by part-time Faculty which qualify as “Professional Ancillary Activities” as defined by the Education Code.

26.1.1 Education Code section 87482.5(c)(1) states that “service in professional ancillary activities” do not count in calculating eligibility for contract or regular status, and specifically identifies the following as “professional ancillary activities”: (1) governance, (2) staff development, (3) grant writing, and (4) advising student organizations. The Education Code also states that this list is not exhaustive; there may be other kinds of ancillary activities at various colleges which don’t count toward contract or regular status and which are not identified on this list.

26.1.2 The District and Association wish to clarify that the following duties performed are professional ancillary activities; some of which may be compensated at varying rates of pay as appropriate at the District:

- A. Assessment test proctoring/scoring/coordination
- B. Presenting at new student orientations
- C. Group grading and/or portfolio review for various courses (e.g., English, Art, Communications)
- D. Instruction during any term other than the regular fall and or spring semester (e.g., intersession, summer school, etc.)
- E. Committee or department participation or attendance including committee or department facilitators, chairs, or leads (e.g., Cosmetology, Aviation, Child Development)
- F. Flex days in excess of those already required by the contract
- G. Work related to grants other than direct instruction (e.g., writing, monitoring, management)
- H. Participation in recruitment and outreach events (e.g., GavFest, Science Alive, department functions)
- I. Serving on Steering Committees (e.g., Early College High School, Learning Communities)
- J. Attendance at mandatory training events and conferences (CSU, UC, Early College, etc.)
- K. Presenting, preparing, and attending staff development activities
- L. Participation in campus-wide efforts (e.g., accreditation, facilities planning)
- M. Special assignments and/or projects (Article 22.4.4 of GCFA contract)
- N. Curriculum development and revisions
- O. Research, data collection, report writing for department, special project/assignment
- P. Service as a representative of faculty committees or organizations
- Q. Part-Time Faculty who teach a course that is not taught by a full-time faculty will be eligible for compensation to work on SLO assessments. The course selection and the selection of the particular Part-Time Faculty member will be at the discretion of the Vice President of Academic Affairs.

The compensation will be a one-time, non-precedent setting payment of \$300.00 per course. In order to be reimbursed, an instructor will conduct the assessment, summarize the data, reflect the data, and lay out any suggested pedagogical or curricular modifications on the institutional research database. This work will be reported on the SLO assessment webpage.

The mechanism for compensation will be a curriculum development reimbursement. After conducting the assessment and posting the results and reflection, the instructor will be reimbursed for his/her work once approved and certified by the Vice President of Academic Affairs.

26.1.3 The parties agree that the above list is not an exhaustive list of professional ancillary activities at the District, and that ultimately, the question of whether any other activity counts toward contract or regular status is determined by law.

ARTICLE 27

EMPLOYEE BENEFITS

27.1 It is a goal of the District to provide full-time employee benefits near to the 35th placement of those provided by all California community colleges.

The District will provide full medical, dental and vision insurance for full-time employees and their families, and \$50,000 term life insurance coverage for the full-time employee only.

Effective January 1, 2017, the District will pay a maximum annual contribution to health benefits costs for each full-time employee at the following levels.

- Employee Only: \$11,500
- Employee + One Dependent: \$22,000
- Employee + Two or More Dependents: \$28,500

Effective January 1, 2017, a three percent (3%) one-time salary increase for full-time and part-time faculty which modifies the existing salary schedule will be put into place. This increase is a salary adjustment correlated directly to the health benefit contribution.

Current teaching part time faculty employees may enroll in the medical plans made available to them under Self Insured Schools of California (SISC), at the part time faculty members' own full cost.

The District will not make any financial contributions toward the premiums, initiation fees, deductibles, retentions, co-pays or other medical or medical-insurance related costs of a part time faculty member who currently or in the future enrolls in a medical plan under SISC.

The eligibility to enroll in SISC medical coverage granted to part time faculty applies only to part time faculty who are currently employed and who are otherwise eligible under SISC plan terms and conditions.

Part time faculty not presently teaching but who are hired and working starting in the spring 2018 semester, or thereafter, must work two academic semesters to be eligible to enroll in SISC medical insurance plans. Winter and summer sessions and/or intersessions do not count towards the two academic semester work requirement.

A part time faculty member hired on or after January 1, 2018 who does not complete the two consecutive semester work requirement for any reason, whether or not attributable to the member's own choice, is not eligible to enroll in a SISC medical insurance plan.

GCFA and the District agree that health benefit cost containment efforts remain a high priority for both parties. As a result, GCFA and the District shall continue to negotiate appropriate cost containment and quality assurance measures during the life of this Agreement based on the recommendations of the mutually established Benefits Committee.

This Article does not apply to retirees who retire prior to January 1, 1998.

1. Pay is calculated using three variables:
 - A. The type of instruction, i.e., lab or lecture. The lecture and/or laboratory designation for each course is established by the curriculum committee and listed in the approved course outline.
 - B. The total number of semester course hours scheduled. (Combined sections are normally compensated as a single course.)

Example A. A typical 3-unit lecture class, meeting 3 hours per week, for a full semester, will earn 3 semester course hours of gross pay.

Maximum beginning placement: New instructors may be given placement credit up through a maximum of five (5) years or 10 terms of prior teaching and/or professional experience. Such experience must be comparable and/or directly related to the teaching assignment.

Notes:

Part-Time faculty fingerprint costs will be paid by the district.

The workload per unit includes part-time faculty office hours and "flex day(s)" (prorated). Ancillary duties and stipends given to part-time faculty are not included in the calculations of work load. For example, ancillary duties and stipends are not included under the "67% Rule" covered by California Education Code 87482.5.

1. Pay is calculated using three variables:
 - A. The type of instruction, i.e., lab or lecture. The lecture and/or laboratory designation for each course is established by the curriculum committee and listed in the approved course outline.
 - B. The total number of semester course hours scheduled. (Combined sections are normally compensated as a single course.)
 - C. The pay level of the individual instructor.

2. Gross pay for a course is based upon a flat rate of pay per semester course hour, multiplied by the number of assigned semester course hours as established by the curriculum committee and listed in the approved course outline.

Note: A semester course hour is equal to meeting a class one hour per week for each week of the semester.

Example A. A typical 3-unit lecture class, meeting 3 hours per week, for a full semester, will earn 3 semester course hours of gross pay.

Example B. A typical 3-unit lecture class, meeting 6 hours weekly, for ½ semester, will earn 3 semester course hours of gross pay.

3. Courses with a combination of lecture and laboratory designated hours will be paid according to the proportional split of those hours scheduled.

4. Full-time non-credit faculty teaching an overload for extra pay shall be placed on the highest step on the non-credit part-time faculty salary schedule.

5. All instructors must meet minimum qualifications for the discipline, or have established equivalency verification, or hold appropriate certification.

6. Counselors (Credit/Non-Credit) shall be paid at the Credit Rate

APPENDIX B

Prior to any regular faculty member being laid off or reduced, the actions must occur in the following order.

MEMORANDUM OF UNDERSTANDING
BETWEEN
GAVILAN JOINT COMMUNITY COLLEGE DISTRICT
AND
GAVILAN COLLEGE FACULTY ASSOCIATION
REGARDING COVID-19 CORONAVIRUS

The Gavilan Joint Community College District (“District”) and Gavilan College Faculty Association (“GCFA”) enter this Memorandum of Understanding (“MOU”) regarding the issues related to the coronavirus COVID-19 (“coronavirus”).

The parties recognize that the District was required to shelter in place by the County of Santa Clara effective March 17, 2020 at 12:01am to slow the spread of illness arising from the coronavirus. Since then, District campuses were closed, and operations continued remotely.

The parties agree to the following:

1. The District and unit members will work cooperatively to transition courses to an online format effective March 18th. The anticipated date of return to normal campus operations and face-to-face instruction is May 4, 2020, however, the parties understand this date may change as the COVID-19 emergency crisis continues to evolve. Both parties agree to abide by recommendations from the CDC and state health department, and to consult collegially in order to protect the health of students and staff.
2. Given the State Chancellor’s Office guidelines on Distance Education Addendums, both Parties agree to temporarily waive the requirement of a Curriculum Committee approved DE Addendum for each course. Additionally, both parties agree to temporarily waive the Online instructional faculty qualifications as outlined.
3. Both parties agree and acknowledge that the transition to an online format is not a substitute for face-to-face instruction and does not equate to face-to-face instruction. Rather, it is a temporary mechanism to continue to provide instruction given the current COVID-19 emergency crisis and take preventative measures to social distance and minimize further outbreak. During this period unit members are expected to provide the best possible learning experience for students while using the tools available by the District.
4. Unit members who were identified as “high risk” due to age or long term health issue were sent home on March 16 and unit members who may have been or were potentially exposed to the coronavirus will not be deducted any sick, personal, or extended leave through March 17.

The District determined the need to commence emergency campus/offsite closures effective March 17 through May 4 arising from the Coronavirus. As such:

5. Any decisions to extend school closures will be communicated by District email address or phone.
6. Unit members shall not be directed or required to report to their worksite while their worksite is closed to students, unless identified as an essential employee or legally required as a disaster service worker under Government Code 3100.

7. Unit members compensation and benefits shall not be reduced in the event of an emergency school closure.
8. The District will continue to provide software and training resources for applicable technology (Zoom, Canvas, Cranium Café, etc.)-for unit members to engage with students online during school closures.
9. All unit members will receive a single reimbursement for the period of March 16-April 13 of up to \$75 for purchasing technological device(s) (including Webcams, WiFi Hotspots), or other purchases not specifically mentioned in this MOU to teach online upon providing a receipt of payment to the Business Office. Purchases made for any additional supplies or equipment needed by faculty members for purposes of online student instruction may be submitted through the Business Office for reimbursement subject to Vice President approval. Future purchases by faculty must require prior approval from the Vice President in accordance with District Policies (BP/AP 6100) and departmental purchasing procedures. Unit members who do not have access to the technology tools to provide online/remote education will be loaned available tools by the District at no charge to the Unit Member.
10. All faculty with face-to-face teaching (including non-classroom assignments) in the Spring 2020 semester may exercise their rights according to Article 40 sections 5.1 and 5.2 to apply for Professional Development Funds allocation as applicable for training/professional development to transition to an online/remote format.
11. Faculty undergoing an evaluation process should have their evaluation moved to a future semester, unless enough data has been gathered to complete the contractual obligations for an evaluation by the end of the semester. Faculty on an improvement plan will have an additional semester to achieve the plan, and all otherwise applicable contractual and statutory deadlines shall be adjusted accordingly.
12. All part-time faculty will maintain their Spring 2020 LEH subject to terms of their employment contract.
13. Part-time Faculty who have earned reappointment rights will maintain their reappointment rights- due to COVID-19 issues and will not grieve a failure to timely evaluate or other failure by the District to take timely action due to that reason.
14. The due date for submission of documents for a sabbatical or salary placement movement will be June 30, 2020.
15. FLEX and Co-Curricular

Of the required 38 hours for full-time co-curricular activities per Appendix B, the Faculty Professional Learning Committee (FPLC) approved a maximum of 30 hours that can be used toward FLEX and/or co-curricular for time spent converting face to face classes to online, assisting fellow faculty in transitioning their coursework online, and/or updating existing assignments to online assignments. This is for the remainder of this academic year and can be used in lieu of other activities that are no longer available or viable due to the COVID-19 shelter in place order.

Faculty need not resubmit their FLEX forms. When the final report is submitted to the office of Vice President of Academic Affairs by June 30th, faculty are to provide a detailed description of any modifications to their Flex form including how many hours were spent on online preparation and what was completed.

Co-curricular submission deadline has been extended from April 1st to May 1st.

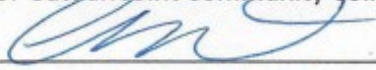

Professional development funds can be used for online classes that you have completed, are planning on taking, or are presently taking. If a faculty member paid for the classes out of pocket, they can apply for professional development funds. For example, if a faculty member completed an @ONE course to help improve their pedagogy online, they can submit a form for reimbursement located on the FPLC website. Professional development funds cannot be used for reimbursing equipment purchases, hours of additional prep for online instruction, etc.

16. This Agreement is non-precedential, will not bind the Parties in any future action, whether under similar circumstances or not, and cannot be introduced in any grievance, arbitration, complaint, administrative or legal proceeding as evidence of past practice or intent of the parties or meaning or application of the collective bargaining agreement. Moreover, some of the provisions herein are required by the Governor’s March 13 Executive Order continuing school funding during the COVID-19 emergency. To the extent the validity of those provisions is dependent upon the Executive Order, the parties agree that if and when that Executive Order expires or otherwise becomes ineffective, this MOU shall itself and to that degree cease to be binding.

17. All closed facilities at each Gavilan College location will be sanitized before staff or students return to in-person operations.

GCFA reserves the right to negotiate any additional impacts of school closures in the 2019-20 school year. Unless it has not already done so by virtue of the cessation of the March 13 Executive Order, this MOU shall expire in full without precedent on June 30, 2020, unless extended by mutual written agreement.
