Welcome to Gavilan College!

If you want to get ahead, Gavilan College is a great place to start. This semester we are offering our first class in the Biotechnology discipline, a growing field in the California economy. Biotechnology careers will include laboratory technicians, researchers, research assistants, and many other options.

We are also offering another foreign language -- French-- due to the many students who have expressed an interest in additional language study options.

If you plan to continue on to a university, Gavilan College provides you the opportunity to explore different disciplines while completing your general education requirements. Classes are small and our outstanding instructors are dedicated to undergraduate teaching. At \$26 per unit, there's no better value.

We hear often from students who have attended other colleges, many of whom transfer back to Gavilan after a year away, and they tell us how much they appreciate the friendliness, closeness, and personal support available at "Gav". Without commuting, you may even have time for clubs, sports, theater, music or leadership.

There's no need to travel to have a first-class college experience or to take the first steps towards advanced degrees, exciting careers, and professional credentials. Gavilan College is here for you.

Sincerely,

WHO MAY ATTEND GAVILAN COLLEGE?

Anyone who is a high school graduate or has passed the California High School Proficiency Exam or GED or is 18 years of age or older may attend Gavilan College. Students younger than 18 who are currently enrolled in high school may co-enroll at Gavilan College using a Special Student Status Contract form available in the local high school counseling offices or the Gavilan College Admissions & Records Office.

A contract is included in this Class Schedule (see center pages).

Things to consider **BEFORE** registering

- ◆ Are you a first time student planning to transfer?
- ◆ Are you a first time student planning to obtain an AA/AS degree?
- ◆ Are you undecided?
- ◆ Are you a high school contract student?
- ◆ Are you an academic probation student or in a "disqualified" status?
- ◆ Are you an international student?
- ◆ Are you taking over 17 units (spring/fall) or over 5 units (summer)?
- ◆ Have you completed prerequisite courses at another college?
- ◆ Does your class have a prerequisite that was not successfully completed at Gavilan?

NEW STUDENTS

Registration Checklist

- Application** - File with the Admissions and Records Office or Morgan Hill or Hollister sites at least 48 hours prior to registering.

- Placement and Orientation** - Sign up on the main campus or at the sites for an assessment in math and English. Complete an online orientation. (Go to www.gavilan.edu and click on the Assessment and Orientation link.)

If you have attended another college and completed math and English courses within the past two years, you do not need Gavilan's placement assessment unless you wish to take it or it is required by your major. Submit placement test scores from other colleges to a counselor for evaluation.

Gavilan's placement assessment results become part of a student's record approximately 24 hours after completion of the assessment. Those students who agree with and understand the English and math course placement do not need to see a counselor to enroll in those courses.

- Transcripts** - Request a transcript from your high school if you graduated within the past five years and have not attended any college. Also request a college transcript from any previous colleges you have attended. Bring or send official copies to the Admissions and Records Office or the sites.

- Counseling** - See a counselor if you are:
 - enrolling for more than 17 units or
 - an international student or
 - a high school contract student or
 - need some help to interpret your placement assessment results in order to enroll for a course with a prerequisite. Assessment results are part of our prerequisite database and you do not need to see a counselor if you agree with your placement.

- Register** - Fill out a registration card and register in the Admissions and Records Office or at the Morgan Hill or Hollister sites or enroll by telephone at 408-846-3729 (GavNOW).

- Pay Fees** - Make check payable to Gavilan College. Visa, MasterCard and cash are accepted. Parking permits and student ID cards may be purchased at this time. If you are eligible for a BOG waiver (see financial aid information on page 7), your enrollment fees will be covered. All students (except concurrently enrolled high school students) are required to pay the \$1 Student Representation Fee and the Campus Center Use Fee (\$1 - \$5). Check the fee schedule before registering. Registration cannot be processed without payment. Registrations will not be processed for students who have "holds" on their records. If registering by phone, fees must be paid within five (5) days.

Resident Enrollment Fees for Non-Immigrant Students (AB540)

To be eligible, a student must have attended a California high school for three full years and have graduated from a California high school or have received the equivalent of a California diploma (GED, CHESPE). The exemption does not grant residency status and the qualifying student may not be eligible for state aid programs such as BOG or EOPS or federal financial aid. You still have the right to use the other matriculation services. We encourage you to do so.

Orientation

Orientation is one of the components of matriculation. It provides new students with an overview of instructional programs, support services, facilities and general graduation requirements. Completion will help students avoid making course choices that might complicate and lengthen the time required to reach their educational goals.

Gavilan College offers an online orientation. Click on the Orientation link on the Gavilan homepage (www.gavilan.edu) to complete the orientation or contact the Counseling Office at 408-848-4723.

You may choose to not participate in orientation by completing a waiver form at the Admissions & Records Office. Doing this will prevent you from participating in priority (early) registration.

ORIENTATIONS are completed online.

Profile

Socorro Zendejas and Griselda Alvarado:

We are Socorro Zendejas and Griselda Alvarado, "the sisters". We were born in Michoacan, Mexico, but have lived in Hollister most of our lives. We attended Gavilan College where we completed most of our undergraduate requirements and we are currently attending San Jose State. The road to S.J.S.U. has been a challenge. Being mothers, and 1st generation Latina students have been some of the challenges we have faced. We have pursued our dream of one day becoming Civil Engineers, yet another challenge for two Latina women, but we are able to keep that dream alive with the ongoing help and support our Gavilan family keeps providing. Being part of the Gavilan College MESA Program has enabled us to receive The MESA National Science Foundation Scholarship. This scholarship proved to us that being involved in school pays off and that someone believed enough to invest in us. Gavilan has been a wonderful experience, which keeps us coming back to programs such as GavFest, Science Alive and the Art-4-Service Mural Program. We look forward to continue working with our Gavilan Family.

2004-2005 Report To the Community of the Measure E Citizens' Oversight Committee

Letter from the Chair

As Chairman of the Measure E Citizens' Oversight Committee, I am pleased to issue this Annual Report to the Community. This report follows the financial and compliance audits for the year 2004-2005, and will also provide some information on work that has been completed since the audit period.

It is the task of the Citizens' Oversight Committee to review bond expenditures and report back to the community on the progress made to fulfill the terms of the bond. We meet several times per year to learn the status of the projects funded by Measure E.

Voters in the Gavilan Joint Community College District approved a bond measure of \$108 million for the renovation, upgrade and expansion of our community college facilities in Morgan Hill, Gilroy, and Hollister. Expenditures will include technology upgrades, campus renovation, land purchases, and planning

I invite you to stay informed by visiting the website www.gavilan.edu/bond for ongoing updates on activities. You are also invited to attend the meetings of the Citizens' Oversight Committee: agendas and meeting minutes are posted on the bond website. For more information please call (408) 848-4711.

Thank you for your investment in the future of Gavilan College.

MEASURE E ANNUAL REPORT

The campus tennis courts were resurfaced, reoriented and repainted. A new fence was installed around the tennis enclosure. The courts are available for public use when classes are not in session. Call (408) 848-7876 for information.

About Measure E

On March 2, 2004, district voters approved Measure E, a facilities improvement bond that will upgrade and expand the facilities for higher education in the Gavilan Joint Community College District. Upgrades will be made to outdated plumbing and wiring, renovate aging classrooms and libraries; provide access for disabled students, improve campus safety, and plan for the future by acquiring land for permanent facilities in San Benito County and greater Morgan Hill / Coyote Valley.

Contact

Meeting dates, agendas, and minutes of past meetings can be found at the website: www.gavilan.edu/bond. For more information or to contact the committee call (408) 848-4711.

Role of the Citizens Oversight Committee

The purpose of the Measure E Citizens' Oversight Committee is to review and report on the expenditure of taxpayers' money for construction; inform the public about the expenditure of bond revenues, and to advise the public as to district's compliance with the California Constitution and Measure E. The committee holds open meetings in which they receive and review copies of the annual, independent performance audit, and updates on projects funded by Measure E. The Committee may inspect school facilities and grounds to ensure that bond revenues are expended properly, receive and review copies of any deferred maintenance proposals or plans developed by the Gavilan Joint Community College District, and review efforts by the district to maximize bond revenues by implementing cost-saving measures.

Independent Financial Audit

An independent financial audit is conducted annually. The first was completed by Vavrinek, Trine, Day & Co., LLP of Pleasanton, California and a report issued in January, 2006. The audit concluded that the financial statements of the Bond construction fund fairly present the financial position and changes in the Measure E fund balance, in accordance with generally accepted accounting standards. In addition, the compliance review noted no non-compliant expenditures.

Issues

One of the greatest challenges is the increasing cost of construction. Nationwide price trends, together with recent natural disasters have contributed to increasing materials costs. The college is taking increasing costs into account in forecasting, and including contingencies and inflation in addition to the hard and soft costs of construction in the planning process. Gavilan College intends that all projects committed to will be completed. The last project is as important as the first.

Conclusions

The Measure E Citizens' Oversight Committee finds that Gavilan College has complied with the spirit and requirements of state law, and the commitment made to the voters in accounting for and expending public bond funds. Gavilan College has exercised proficient fiscal discretion in selecting best practices designed to facilitate projects through planning and contract management.

TRANSFER

Complete your first two years of university coursework at Gavilan College.

Students planning to transfer to a four-year institution can generally complete the first two years of their college work at Gavilan College and enter the four-year institution with junior standing.

The requirements of universities vary. It is therefore advisable that students consult a counselor early in the semester for more detailed information about each university's specific requirements. *Due to recent changes in admissions policies at UCs and CSUs, working with a counselor is critical.*

Transfer Credit

Official transcripts from institutions which are fully accredited by appropriate accrediting associations will be evaluated for transferable lower division coursework. Appropriate units and subject content will be applied to major and general education requirements to meet prerequisites or graduation requirements. Courses taken at other California Community Colleges, California State Universities or any University of California will be transferred to Gavilan with the same general education designation as that of the issuing institution.

Students who wish to transfer coursework from foreign institutions must submit official transcripts to a college-approved foreign evaluation service for translation and evaluation.

Coursework from a foreign institution cannot be used for certification to a four-year institution. Students should contact the institution to which they wish to transfer to inquire about the acceptance of foreign coursework.

CLEP EXAMS

University of California does not grant credit for College Level Examination Program exams. CLEP credit CANNOT be used to certify IGETC. Some California State Universities will grant CLEP credit for certain areas and some will not grant credit at all. Transfer students are advised to contact the university they will be attending for specific information regarding CLEP credit.

GENERAL EDUCATION RECIPROCITY AGREEMENT

The Gavilan Community College District has entered into a mutual agreement with seven other community Colleges to accept the general education of these colleges. The participating colleges are De Anza College (Cupertino), Evergreen Valley College (San Jose), Foothill College (Los Altos Hills), Gavilan College (Gilroy), Mission College (San Jose), Ohlone College (Fremont), San Jose City College (San Jose) and West Valley College (Saratoga).

Students who obtain a Certification of Completion of Associate Degree General Education or complete an associate degree at any of the participating colleges will have both their general education course work and graduation proficiencies accepted as completed at any one of the participating campuses.

Courses Numbered 22, 23, 122, 123, 98, 198

These courses are also called "Independent Studies", "Special Studies", "Special Topics", "Internships", etc. Credit for variable topics courses is given only after a review of the scope and content of the course by the receiving institution. This usually occurs after transfer and may require recommendations from faculty. Check with a counselor to prevent surprises.

Transfer Agreements (TAAs)

A Transfer Admissions Agreement is a formal agreement between a student in attendance at Gavilan College and a receiving baccalaureate granting institution to which the student intends to transfer. The agreement guarantees admission to a transfer university a year in advance for the fall semester. It may also guarantee admission into a major.

Note: Educational plans for students preparing to transfer to any public or private institution can be developed. Because the requirements of universities vary, it is advisable that students consult a counselor for more detailed information.

Gavilan College has Transfer Admission Agreements with the following universities:

- UC Davis
- UC Riverside
- UC Santa Cruz
- San Francisco State University
- San Jose State University
- University of Santa Clara
- CSU Monterey Bay

You do your part and they'll do theirs (admit you early!). Articulation agreements are also available online at www.assist.org. For eligibility requirements schedule a counseling appointment by calling 408-848-4723.

California Articulation Number System

The California Articulation Number (CAN) System provides a cross reference number for courses which have been evaluated by faculty and determined to be acceptable "in lieu of" each other. Only lower division, transferable, major preparation courses commonly taught on two- and four-year college and university campuses are included in the System.

The criteria for a campus to qualify to use a CAN Number includes written, faculty-approved articulation agreements on each course with a minimum of four public four-year California colleges and universities.

The CAN Number System is not a common numbering system. Each campus retains its own course numbers, prefixes and titles. The CAN (e.g., CAN ENGL 2) is listed parenthetically in catalog descriptions, class schedules and other publications as appropriate.

The CAN designation is assurance that the course or sequence of courses will be accepted in lieu of an identically designated CAN course or sequence at all participating campuses in California.

(CAN ENGL1A = CAN ENGL 1A at another college.)

Gavilan College Associate Degree Graduation Requirements

A Gavilan College Associate degree (AA or AS) is a combination of general education courses and a specific major selected from the Gavilan College catalog.

1. File a **Petition to Graduate** with the Admissions & Records Office by April 1 for a Spring or Summer graduation and October 1 to graduate at the end of Fall Semester. One petition must be filed for each Associate degree, Certificate of Completion, Certificate of Achievement or Award of Achievement the student expects to receive.
2. Students must earn an overall grade point average of 2.0 ("C") or higher for all work attempted and a grade of 2.0 "C" or higher in each major or certificate courses.
3. Complete a minimum of 18 units of coursework in a major. Specific major course requirements are listed in the college catalog.
4. Complete a minimum number of 60 semester units. Within the (60) unit requirement, the (9) units in Area A and B-4 must be completed with a grade of "C" or better in each course.
5. Complete the last 12 units, or a total of 48 units, at Gavilan College.

Articulation Agreements

Gavilan College has completed lower division course-to-course, major-to-major and general education agreements with all California State University (CSU), University of California (UC) and a number of private university campuses. These agreements ensure that participating universities will accept certain courses taken at Gavilan College to satisfy general education, major or elective university requirements.

The articulation officer, counselors and the Career/Transfer Resource Center staff have lists of participating institutions. Articulation agreements are also available online. See information on www.assist.org.

Note: Educational plans for students preparing to transfer to any public or private institution can be developed.

Please see your counselor for additional information and to view copies of specific transfer agreements. The Counseling Office is located in SC108. For more information call 408-848-4723.

Intersegmental General Education Transfer Curriculum

The IGETC can be used by community college transfer students to fulfill lower division general education requirements for either the CSU or UC system without the need, after transfer, to take additional lower division general education courses, as long as your IGETC completion is certified at the community college. Obtain the Certification form from Admissions and Records.

Students are strongly encouraged to complete all IGETC requirements prior to transfer.

PARTIAL IGETC - If you are approaching readiness for transfer and, for good cause, are unable to complete one or two IGETC courses, you may be eligible to complete IGETC after transferring. Typical situations which constitute good causes for not completing one or two IGETC courses are illness, unavailable or cancelled courses, military service and unexpected hardships, such as family or employment problems, experienced in the final term before transfer.

If your petition for partial certification of IGETC is approved, you may be able to complete IGETC in one of the following ways:

- 1) Take a certified IGETC course, in the area to be completed, at any California community college, when you are not enrolled at a California State University or a University of California, such as during summer session.
- 2) Complete the requirement at a California community college while concurrently enrolled at UC or CSU. You will be subject to the UC or CSU campus rules regarding concurrent enrollment, so this option may not be available at your university campus.
- 3) Take a comparable course at the UC or CSU campus to which you will be transferring. This option is at the discretion of each campus, so it may not be a choice available to you.

You will be expected to complete IGETC before the beginning of the second full year of enrollment at your UC or CSU campus. Check with your campus advisor after you transfer for more information, including which options are available and which UC or CSU courses may be comparable to the IGETC courses remaining to be completed.

All UC and CSU campuses will accept IGETC with the exception of Fifth and Revelle Colleges at UC, San Diego. Since all majors are available at each of the five colleges at UC, San Diego, students will not be restricted in their choice of major if they use the IGETC.

A course cannot be used to satisfy more than one subject area of the IGETC (general education). However, major prerequisite courses can be used (double counted) to satisfy IGETC requirements.

CSU campuses' limitations on double counting of general education courses toward major preparations are not changed by IGETC.

Students who wish to be certified for both CSU and UC systems should take CMUN 1A, 8 or 10 in Area 1 for CSU and meet the foreign language requirement for UC. Completing both provides flexibility and choices.

The courses for all IGETC areas must be completed with a grade of "C" or better before IGETC can be certified. A grade of "C-" is not acceptable.

See a counselor when you are:

- a first time student planning to transfer
- a first time student planning to obtain a AA/AS degree
- an undecided major
- a high school contract student
- an academic probation student
- taking over 17 units (spring/fall) or over 5 units (summer)
- have completed prerequisite courses at another college(s)

UC/CSU Intersegmental General Education Transfer Curriculum
IGETC - 2005 - 2006

Completion of all the requirements in the IGETC will permit a student to transfer from a community college to the California State University or the University of California without the need, after transfer, to take additional lower-division general education courses to satisfy campus general education requirements. All areas must be satisfied and all courses must be completed with a grade of "C" or better before IGETC can be certified by Gavilan College's Admissions and Records Office. A "C-" is not acceptable. See the Gavilan catalog and a counselor for details. A student is strongly advised to complete a total of 60 transferable units before transferring. These will include the IGETC requirements, "major" prerequisites and elective units if needed.

(Students should request an IGETC certification from the Office of Admissions & Records before transferring.)

GENERAL INFORMATION

Attendance

Students who fail to attend the first class session may be dropped by the instructor. Generally, students missing one more class hour than the unit value for that course, without making prior arrangements, may be dropped without the possibility of credit. However, a student should not assume that he or she will be dropped by the instructor; it is the responsibility of the student to make sure that courses are officially dropped.

Advisories

Course advisory is recommended preparation for a course. It is not a prerequisite to taking a course but is strongly suggested that the advisory be met prior to enrollment as success in the course may depend upon having that skill or knowledge level. For example, a course advisory that reads "to be eligible for English 250 and English 260 in order to enroll in Psychology 1A" strongly recommends that you have successfully completed (with a "C" grade or better or a "credit") the previous courses, English 440 and English 260. This becomes critical in being able to read and understand college textbooks.

Campus Safety and Crime Statistics

Contact the Gavilan College Security Dept. at 408-710-7490 (or dial "10" from any campus extension) to report criminal or potential criminal activity. For non-emergency calls, you may call the security office at 408-848-4703.

Campus safety information and crime statistics are available online at www.gavilan.edu/safety. If you would like a hard copy of this information, copies are available at Admissions and Records (SC111) and the Campus Security office (S/M bldg.) or call 408-848-4703 to have a copy mailed to you.

Course Repetition

There are limitations on the number of times a student may repeat a course. All courses listed in this publication with no repeat notation following the description may be repeated only once if a grade of D, F, or NC was earned. A student may petition to repeat a course beyond the limitations listed providing there are extenuating circumstances such as verified cases of accidents, illness, or other circumstances beyond the control of the student or because there has been a significant lapse of time (3 years or more) since the student previously took the course.

To repeat a course in which the student has received a final grade of "C" or better a student files a Request to Repeat a Course Under Special Circumstances prior to registering for the course again. Units and grade points for the repeated course are not computed in the grade point average in this version of course repetition.

Credit/No Credit, Letter Grade Option

For some courses, students have the option of selecting a final grade of Credit/No Credit or a traditional letter grade of "A", "B", "C", etc. Review the course description in this schedule to determine which courses are designated as having this option.

Before selecting a grading option, students should consider the following:

- Once the option has been selected, the student's decision is final and irreversible.
- To select one option over another, a student must complete the Grading Option form and file it with the Admissions & Records Office prior to the NRS (No Record

Shown) date for the course. This date is either the end of the fourth week (for a semester-long course) or 30% of the course meetings (for a short-term course.)

- If the student opts for a Cr/NC final grade, the units are not included in the semester GPA but are considered for the purposes of academic and progress probation and dismissal.
- A Cr/NC grade is not used in consideration of honors.
- A total of 20 units of Cr/NC graded units (not including those courses required by the major which are designated Cr/NC only) may be applied to an Associates's Degree or Certificate.
- The student should carefully consider the transferability of Cr/NC units to other institutions. Some universities may not accept any credit/no credit courses and others limit the amount of credit/no credit units that will be accepted. Please consult your counselor before selecting the credit/no credit option.

Prerequisites and Co-requisites

A prerequisite is a course or skill level that is required before you can enroll in another particular course. For example, English 250 is a prerequisite for English 1A. Courses used to meet prerequisite requirements must have been completed with a "C" grade or better or "credit".

A co-requisite is a set of courses that you must take at the same time. For example, Math 209 is a co-requisite for Math 9.

If you believe that you have the equivalency of the prerequisite through another means (courses at another college, AP tests, work experience, etc.) speak with your counselor about this or complete a Verification of Prerequisite form (available in this schedule).

CHALLENGING A PREREQUISITE

Students who believe that they have already fulfilled a prerequisite, or that a prerequisite has been improperly established or implemented, may challenge the prerequisite. The student is responsible for providing compelling evidence to substantiate the challenge based on one of the following:

- The prerequisite course has not been made reasonably available.
- The prerequisite was established in violation of regulation or in violation of the District-approved processes.
- The prerequisite is in violation of this Article.
- The prerequisite is discriminatory or is applied in a discriminatory manner.
- The student has the knowledge or ability to succeed in the course despite not meeting the prerequisite.

Challenge forms are available in the Admissions & Records Office or from a counselor and must be completed and returned to the Vice President of Instruction prior to the first day of classes.

Transcripts

Transcripts of a student's permanent academic record are released ONLY with written authorization of the student. Telephone requests will not be accepted. The first two copies are free; there is a \$4 charge for each copy thereafter. Transcripts are normally sent out within five days of the request. This response time may be longer during busy periods such as the first two weeks of a new semester. Urgent requests cannot be honored during the late registration period but can normally be produced within an hour at a cost of \$7 per copy.

The Gavilan Community College district assumes no liability for loss of damage of student personal property.

¿Quiere Tomar Clases de Inglés? ¿Quién necesita tomar el examen de evaluación de ...

ESL (Inglés como Segunda Lengua)?

- Los estudiantes que no saben nada de inglés.
- Los estudiantes que saben un poco de inglés pero que no han tomado clases formalmente o que tomaron clases hace más de tres años.
- Los estudiantes que asistieron a la secundaria (high school) en este país por menos de un año.
- Los estudiantes que asistieron a la secundaria (high school) en este país por algunos años pero que no están seguros de su nivel de proficiencia en el inglés.

Los nuevos estudiantes que desean tomar clases de Inglés como Segunda Lengua (ESL) deben inscribirse en la Oficina de Admisiones y Archivos para hacer una cita y tomar la evaluación apropiada después de llenar una solicitud. Cuando los estudiantes se presenten en la oficina de Inglés como Segunda Lengua (ESL) de acuerdo con su cita, tomarán un examen escrito y sostendrán una entrevista oral. Los resultados del examen y la información de la entrevista serán usados para recomendar y colocar a los estudiantes en las clases de Inglés como Segunda Lengua (ESL) que mejor les convengan. Los estudiantes estarán listos para inscribirse en las clases adecuadas al final de esta evaluación de tres horas. Los nuevos estudiantes en el Programa de Inglés como Segunda Lengua (ESL) recibirán una orientación sobre los servicios y regulaciones del Colegio Gavilán en sesiones ofrecidas durante las primeras dos semanas del semestre. Las orientaciones serán dadas en inglés y en español y los maestros se comunicarán con los nuevos estudiantes para asistirlos en seleccionar la sesión más conveniente.

Apoyo para la Instrucción

Laboratorio de Computadoras de ESL

El programa de ESL tiene su propio laboratorio de computadoras con una variedad de programas para todos los niveles y clases. Los programas de software permiten a los estudiantes practicar y mejorar el lenguaje aprendido en clase. El ambiente amistoso les permite obtener práctica adicional cuando es conveniente. Trabajar con programas de software en las computadoras estimula la auto-confianza porque los estudiantes trabajan independientemente e interactúan con una computadora en vez de hacerlo con una persona, y además porque tienen múltiples oportunidades de ver un punto de lenguaje específico para mejorar habilidades de comprensión auditiva, comprensión de lectura, gramática, escritura, y pronunciación. Somos afortunados de poder ofrecer éste maravilloso recurso a nuestros estudiantes del programa de ESL.

**Mindfulness Based
Stress Reduction Classes**
8 Week Sessions plus Introductory Session

Are you feeling out of balance in your life? Learn mindful meditation skills that will help you reduce stress and achieve optimal well-being in your daily life. These classes are modeled after the stress reduction program developed by Jon Kabat-Zinn, which was featured in the Bill Moyers PBS series, *Healing and The Mind*.

Mindfulness is the practice of cultivating non-judgmental, intentional, present moment awareness in everyday life. With regular practice, we are more able to consciously choose our responses to life, rather than reacting automatically to stressful events. Home practice workbooks and CDs are available for purchase.

Offered Wednesdays at Gavilan–Gilroy
or Thursdays at Gavilan–Morgan Hill
7:00 - 9:00 p.m.

DISTANCE LEARNING

Distance education courses at Gavilan are offered in three different ways:

- Online courses
- Online Hybrid
- Telecourses

Hybrid - online
and classroom

Telecourses

Online Courses at Gavilan College

Online courses allow students who have access to a computer and modem to take college credit classes. Students need to have access to an individual email account and the World Wide Web. Students enrolled in these Internet-delivered classes will meet with their instructors and with their classmates through the Internet. The majority of coursework is done online. However, one or more on-campus meetings may be required. If this is a problem, you may contact your instructor for possible accommodations.

After enrolling, start the class by going to <http://www.gavilan.edu/disted/> and clicking on your class.

It is your responsibility to log into the class by the end of the fourth day (semester-long courses) or by the third day (short-term classes). Students who have not logged into the class by the deadline will be dropped from the course.

Orientations: We strongly recommend that students take one of the live orientations to online courses offered in the Gavilan Library. Please see the library homepage at: <http://www.gavilan.edu/library/> for a schedule of orientations or you may make a personal appointment with one of the librarians by calling 408-848-4806.

We encourage you to exercise the same kind of caution in a distance learning class as you would if you were taking an on-site class. Do not share personal information about yourself; do not give a stranger or new acquaintance your home phone number or address.

Profile

r2row and daughter, Aeja

r2row:

r2row is the founder and program director of Ojo Murals 4 Service (art4service.org), a community-based mural program serving South Santa Clara and San Benito counties. For the past eleven years, he has actively worked with public schools and community organizations to create murals. For the last six years, he has taught full-time at Gavilan College, connecting college students to local youth through the mural creation process. With titles such as "Rollercoaster de la Educacion," "Overcoming Racism" and "Enduring Wage," r2row's murals explore meaningful social issues with direct participation from the communities the murals serve.

"One of the things I enjoy most about teaching at Gavilan College is being the "keeper" of Studio 102. It is exciting for me to facilitate an environment where the creative genius is called forth from all—even those in denial. If the conditions are right, there is infinite potential in all of us and none shines brighter than our students. If you are taking one of my courses I hope you are enjoying it; if you haven't, come on by and see what we are all about."

Profile

Gilbert Ramirez:

I earned an A.A. in Liberal Arts at Gavilan College, while playing two years of football for the Rams under then head coach Dr. Tim Lister. I earned a B.S. in Marketing from San Jose State. I have been teaching Cosmetology classes for the last seven years here at Gavilan and until recently at San Jose City College. I have been involved with different community organizations including being on the board of directors of The Bridge Counseling Center, president of the local chapter of the California Cosmetology Association and currently a chairman of the Gilroy Garlic Festival. I have been a licensed Cosmetologist for 19 years and a successful business owner in our community for the last 14 years. I am truly able to say that I enjoy going to work everyday, both at my salon and at Gavilan.

What I bring to the classroom is a sense of reality of the expectations of the life as a cosmetologist. I am able to teach not only what a student needs to learn to pass our state licensing exam, but also prepare them for the real situations that occur in the industry. I would like students to learn and understand how rewarding and fulfilling being a cosmetologist can be. I also want students to understand that Cosmetology is so much more than just cutting hair. My desire is to be instrumental in guiding any student interested in this career to achieving both financial and personal independence.

By studying and working together with your classmates and instructors, in this program you'll develop a strong network of support to help you succeed. You'll improve your reading and writing skills and also explore options for majors, transferring, and careers. Building a strong foundation in your first year will put you on the road to success throughout your college experience.

The Program: Students will take reading, writing and guidance together because these skills are needed to succeed in college classes. Students will be encouraged to take the next level of English and guidance courses in spring 2007.

STAFF

Profile

Lorraine Welk:

I was born and raised in Brooklyn, NY. I attended Brooklyn College and completed my education in Organizational Management at San Jose State University. I am the instructional site manager for the Morgan Hill site of Gavilan Community College. This satellite campus was established in the fall of 1998. Having a facility at the Morgan Hill Community and Cultural Center has not only brought the City of Morgan Hill much prestige and increased traffic to the downtown but has assisted students in meeting their education goals by making classes convenient. Currently 675 students are enrolled at the Morgan Hill Site.

Morgan Hill has been my family's home for 29 years. Being actively involved in this community is an important part of who I am. I was employed by the Morgan Hill Chamber of Commerce for 19 years, served as its executive director and assisted in creating the special events we enjoy. I continue to be an ambassador for the Chamber, and have served on the Leadership Morgan Hill board of directors for the past 3 years. I am a member of the Morgan Hill Downtown Association.

As a part of the Gavilan College family I try to expand Gavilan's educational role by being a force in the development of the community. I serve on the core committees for GavFEST, Community Spirit Awards, and Science Alive, to name a few!

STUDENT Profile

Kimberly Adams:

As a student at Gavilan, I spent the better part of my tenure working on various projects. My primary passion has been The Gavilan Press where I served as a reporter for two years and Editor in Chief for one year. In Spring 2003 I was the ASB CalSACC representative and participated in "March in March" to protest fee hikes. My final endeavor came as co-host to GavTV's News and Views in late 2005 and into spring 2006.

I will be attending SJSU and UNLV majoring in Journalism and will be the first in my immediate family to earn a Bachelor's degree. My ultimate goal in life is not only to give back to my community, but to continue writing, hopefully at a daily or weekly newspaper.

PHIL 6A	Comparative Religions							
Advisory: Eligible for English 1A. Transferable: CSU; UC; CSU-GE: C2; IGETC: 3B; GAV-GE: C2, F Religion is a topic that ignites controversy -- most societies engage in religious practices, believe strongly in that tradition, and find a sense of identity within it. The controversy arises when differences are misunderstood, misrepresented, or placed in a hierarchy of assumed supremacy of one religion as superior to others. In this class, students explore the underlying commonality of various religious traditions, explore the uniqueness of the religions with which they are unfamiliar, and learn to see that diversity among beliefs doesn't have to create hostility. Students will explore religions from Indigenous Peoples throughout the world, East Asia (e.g. India), China, the Middle East, as well as some more recent trends in religion.

FACULTY Profile

Stephanie Pascucci:

I went to college at San Jose State University where I got a full-ride scholarship for volleyball. I played there from 1999-2002 and graduated Cum Laude in 2003 with my Bachelors of Science degree in Kinesiology, with an emphasis in sport management. While at SJSU, I made the WAC All-Academic team 3 years, got the Order of Sparta award, was named to the 1st team All-WAC for volleyball and was the first athlete at SJSU to get the Stan Bates Award (Top female student-athlete in the WAC). I went on to get my masters degree at SJSU in sport management and graduated in 2005. While getting my graduate degree, I was an assistant coach for the women's volleyball team.

My philosophy is that you get out of it what you put into it when it comes to academics and athletics. You should push yourself to be the best and do your best!!

I currently teach and coach volleyball at Gavilan and I'm also the volunteer coordinator for the San Jose Grand Prix.

& Indiana University

In a quandary?

- ◆ You love California and wouldn't dream of leaving.
- ◆ You're earning your associate degree and want to go on for a bachelor's.
- ◆ You'd attend a four-year college but can't just pull up stakes.
- ◆ You've thought about an online degree but worry about "diploma mills."

Want it all? It's yours with 90 ► 30

Gavilan College and Indiana University have joined forces so that you can earn a bachelor's degree from the country's "**Hottest Big State School**" without leaving home!

- ◆ Stay with your job, family and friends in Santa Clara and San Benito Counties.
- ◆ Pay Indiana **in-state** tuition.
- ◆ Start your bachelor's degree when **your** schedule permits, and work at **your** own pace.

What's 90 ► 30? Here's how it works:

1. You earn 60 transferable semester hours of credit at Gavilan College and receive your associate degree.
2. Apply for admission to IU and, once admitted, complete an additional 30 transferable credits at Gavilan.
3. Take your final 30 credits of upper-division courses via distance education at Indiana University, and join the thousands of students worldwide who have earned an IU Bachelor of General Studies.

Why a midwestern university?

Known as one of the country's "most wired" universities, **Indiana University** is a fully accredited, Big Ten university.

Time magazine named IU its "**College of the Year**" in 2001, and *Newsweek* magazine chose IU as its "**Hottest Big State School**" in fall 2005
