

HIGH STEP PROGRAM

High School Transfer Enrichment Program

Gavilan College, in conjunction with Ann Sobrato High School, offers courses that are widely accepted at many universities and for Gavilan College degrees conveniently on the Ann Sobrato High School campus.

The Program:

- Start college while enrolled in High School!
- In two years earn a maximum of 12 college units.
- Courses conveniently offered at the high school.
- Meet college and university requirements while still in high school.

The Benefits:

- Experience college level work.
- Reduce four-year university expense.
- Advance academically.
- Become competitive in the four-year admission process.

Who Can Participate?

- High school juniors and seniors. (Courses offered at high school locations are open to any college-age student.)
- Minimum cumulative 2.0 GPA.
- Score at the appropriate level in reading, writing, and math.
- Ability to benefit from advanced scholastic work.

For more information call 408-848-4738.

How to Register:

1. Take the Gavilan College assessment placement on your campus or at the Gavilan College Morgan Hill site. You will complete a Gavilan application for admission during your assessment. See the assessment schedule on the back of this flyer.
2. See your high school academic counselor to determine eligibility. All concurrent documents are required.
3. Fill out a High School Contract (Recommendation for Special Student Status form) with your high school academic counselor.
4. Ask your parent to sign the contract.
5. Register at Gavilan College by September 8, 2006. For more information about registration, call the Admissions and Records Office at 408-848-4735.

Cost: \$26 per unit x 3 units = \$78

Students must purchase their own textbooks. Check out the Gavilan College bookstore website at www.gavilan.bkstr.com
