PHIL 6A Comparative Religions

Transferable: CSU, UC; CSU-GE:C2; IGETC:3B; GAV-GE:F

Religion is a topic that ignites controversy -- most societies engage in religious practices, believe strongly in that tradition, and find a sense of identity within it. The controversy arises when differences are misunderstood, misrepresented, or placed in a hierarchy of assumed supremacy of one religion as superior to others. In this class, students explore the underlying commonality of various religious traditions, explore the uniqueness of the religions with which they are unfamiliar, and learn to see that diversity among beliefs doesn't have to create hostility. Students will explore religions from Indigenous Peoples throughout the world, East Asia (e.g. India), China, the Middle East, as well as some more recent trends in religion. ADVISORY: Eligible for English 1A.

Profile
FACULTY

Nikki Dequin

Head softball coach & Physical Education Instructor

I graduated from Gilroy High School in 1995. Upon graduating I, like many students wanted to get out of town. After attending De Anza College for 1 quarter, I realized how much wasted time I was spending commuting each day. I transferred to Gavilan College, where I played softball and finished my A.A degree in enough time to transfer into San Jose State the summer of 1997. My goal was to participate in intercollegiate athletics. With hard work I made the Division I softball program and my work ethic paid off when I was given a 5th year scholarship to complete my bachelors degree in Kinesiology. In 2001 after graduation I taught at Gilroy High School and coached softball at De Anza College, while working on my master's degree at San Jose St. The opportunity arose in 2005 to teach and coach here at Gavilan College and I knew this was where I was supposed to be. I had a great experience as a student athlete and was guided by some very caring and devoted instructors (some of whom are still here). I am fortunate to work with and learn from these people and truly enjoy sharing my experience with our current athletes. Our softball program has become highly recognized in the state of California, and my goal is to make it one of the top in the state.

Kevin Kramer

Kevin Kramer is in his second year as Gavilan's Head Women's Volleyball Coach. He spent two seasons as the Head Coach at Canada College in Redwood City, leading them to a 30-9 overall record and their first ever playoff appearance in 2006. In Gavilan's first year under Kramer, the team finished with a record of 12-9, and the first winning season since the program was re-established in 2005. This is Kevin's second year as a full time instructor at Gavilan after spending five years as a Physical Education, Health, and Psychology teacher at Mt. Eden High School in Hayward, CA. In 2001, Kevin graduated from U.C. Santa Barbara with a B.A. in Psychology and later completed his M.A. in Education and his Single Subject Teaching Credential in Physical Education from National University.

The Women's Volleyball Program focuses on the overall development of each student-athlete's physical, social, mental, and emotional skills, which will allow each student-athlete the greatest opportunity to reach their full potential on the court, in the classroom, and in all other aspects of life. In addition, it is the goal of Gavilan Volleyball to take the potential of each individual and blend it with the potential of other members of the program in order to create the most educational, competitive, and successful experience for all who are involved.

PLANNING TO TRANSFER?

Admission for these majors is very competitive

4-year universities stress preparation for the major over completion of general education major.

High-unit majors do not need to fulfill all general education requirements

You do not need to get an AA or AS degree to transfer

You should plan your sequential courses early.

can help you plan your courses to complete major preparation prior to transfer. Go to www.assist.org and see a counselor to develop an educational plan.
