1st Year Experience

is a program in place in many schools across the country. These programs are in response to much research supporting smaller schools, interdisciplinary studies, and community building. So what is FYE? At Gavilan, this program links fundamental courses together. By studying and working together with your classmates and instructors, you will develop a stronger network of support. Students who enroll in FYE often report higher GPA, increased involvement in school, more friends, greater ability to meet goals, and stronger critical thinking, reading, and writing abilities.

Mark your calendars! This semester we are also offering two Friday First Year Seminars from 1-3:30 on Friday, September 25 and Friday, October 23.

The following classes are part of a First Year Experience learning community. You must enroll in both courses.
