

Getting Started

You are eligible to ATTEND GAVILAN COLLEGE if:

- ◆ You are a high school graduate or
- ◆ You have passed the GED or the California High School Proficiency exam
- ◆ You are 18 years of age or older
- ◆ You are currently enrolled in high school. High School students may enroll with Special Student Status by completing a High School Contract form.

PLACEMENT/ASSESSMENT testing will help ensure that students are enrolled in courses that match their abilities in language and computational skills. Students must have completed the eighth grade to be eligible for assessment services. Placement scores, together with other indicators of a student's abilities, are used by counselors to determine appropriate course placements.

If you have attended another college and completed math and English courses within the past two years, you do not need Gavilan's placement assessment unless you wish to take it or it is required by your major.

See a COUNSELOR if:

- ◆ you are a first time student planning to transfer
- ◆ you are a first time student planning to obtain an AA/AS degree
- ◆ you are undecided about a major
- ◆ you are a high school contract student
- ◆ you are an academic probation student or in a "disqualified" status
- ◆ you are an international student
- ◆ you are taking over 17.99 units (spring/fall) or over 5.99 units (summer)
- ◆ you have completed prerequisite courses at another college
- ◆ your class has a prerequisite that was not successfully completed at Gavilan

ADDING & DROPPING COURSES

Students may add and/or drop courses

- **Online** (Click on the Self-Service Banner icon at www.gavilan.edu).
- **In person** on the main campus or at the Morgan Hill or Hollister sites.

A student who stops attending a course and does not officially drop is *not* automatically dropped by the instructor and may receive a final grade of "F".

CLASS CONFLICTS

In the event of a class conflict, students must **FIRST** receive written approval from instructor(s) noting that they are aware there is a class conflict and how work/time will be made up. The plan must then be reviewed and approved by either the Vice President of Student Services or the Vice President of Instruction.

ADD CODES

are obtained from an instructor during late registration for closed (full) classes.

They must be used within 48 hours and no later than 11:59 pm on Tuesday, Sept. 8 online or by 7 pm in person.

In order to be exempt from assessment and orientation you must:

- ◆ have an AA degree or higher *or*
- ◆ have accumulated fewer than 12 units in transfer courses *or*
- ◆ be presently enrolled in fewer than six units *or*
- ◆ not plan to earn a certificate or degree.

Opt out by completing a waiver form at the Admissions & Records Office. Doing this will prevent you from participating in priority/early registration.

OUR MISSION *In an environment that cultivates creativity, stimulates curiosity and emphasizes student learning, Gavilan College serves its community by providing high quality educational and support services that prepare students for transfer, technical and public service careers, life-long learning and participation in a diverse global society.*

Welcome to Gavilan College.

As a state-funded agency, Gavilan College has certainly been cognizant of the current tough economic times. Fortunately, the budget compromise reached by the legislature and governor recognizes the important contributions Community Colleges make in helping California's economy grow.

Community College enrollment levels are up across the state, as unemployed workers return to college for education and retraining, and university-bound students save money by completing their lower-division coursework at community colleges. At Gavilan College, Spring enrollment is up 17%, vs. 9.5% statewide, continuing a three-year trend of double-digit enrollment growth.

Although there are cuts in the state budget, (such as eliminating the 0.68 % COLA for the current year) Gavilan College remains in a strong financial position, thanks to prudent and conservative budgeting and the participation of staff, students and faculty in an Expenditure Reduction Task Force. Through the work of the Task Force, over \$860,000 in budget reductions have been identified and accepted for the current year, and additional reductions have been identified for 2009-10. No staff will be laid off, and students will not be turned away to achieve these reductions.

We continue to implement Measure E – completing the purchase of land for two future campuses in Coyote Valley and San Benito County. Renovations on four main campus buildings will be completed this year. To accommodate all of the additional students seeking higher education, we are adding more portable structures and seeking additional space to rent throughout the district.

We are proud to be your College of Choice.

If you have a high school diploma (or equivalent) from another country you are exempt.

THERE ARE THREE METHODS TO DEMONSTRATE ABILITY TO BENEFIT.

1. ASSET TESTING SCHEDULE FOR NATIVE ENGLISH SPEAKERS

The Ability to Benefit schedule can now be found on the Assessment web page. Go to www.gavilan.edu/admit/assess.html. Students are required to sign up for a testing session through the Financial Aid Office: 408-848-4727 (SC124). Times and locations subject to change and additional times may be added to the schedule. Confirm time and location with the Assessment Office in BU120B - 408-846-4992 prior to your scheduled appointment.

Matriculation

ADMISSIONS • ASSESSMENT • ORIENTATION • COUNSELING • FOLLOW-UP

Matriculation is a series of services that Gavilan College commits to provide for you. The purpose is to help you identify your educational goals and successfully complete them.

Exemptions: Sometimes a student does not want to take advantage of the matriculation services. That is a right you have. In order to be exempt from assessment and orientation you must:

- have an AA degree or higher *or*
- have accumulated fewer than 12 units in transfer courses *or*
- be presently enrolled in fewer than six units *or*
- not plan to earn a certificate or degree.

Opt out by completing a waiver form at the Admissions & Records Office. Doing this will prevent you from participating in priority/early registration. You still have the right to use the other matriculation services. We encourage you to do so.

Assessment

Placement/assessment testing will help ensure that students are enrolled in courses that match their abilities in language and computational skills. Students must have completed the eighth grade to be eligible for assessment services. Placement scores, together with other indicators of a student's abilities, are used by counselors to recommend appropriate course placements. Register for the assessment at the Admissions & Records Office in the Student Center.

The assessment instruments used by Gavilan College for general assessment, the College Tests for English Placement (CTEP) and the Mathematics Diagnostic Testing Project (MDTP), are administered in English and are not intended for applicants to the English as a Second Language (ESL) program.

Assessment requires:

- Valid picture ID *
- Social security number required for scoring of exam
- The Assessment Center will provide pencils and pens for students during testing.
- No pagers or cell phones allowed in the testing room
- No watches allowed in the testing room.

Todos los nuevos estudiantes de ESL deben tomar el examen de nivelación de ESL. Consulte la página 134.

Orientation

Orientation is a required component of matriculation. It provides new students with an overview of instructional programs, support services, facilities and general graduation requirements. Completion will help students avoid making course choices that might complicate and lengthen the time required to reach their educational goals. This is also a time for us to welcome you to Gavilan College and for you to have an opportunity to meet other new students and staff.

Students should participate in an orientation session prior to meeting with a counselor.

Please phone 408-848-4723 for further details.

Orientation is completed online.

Click on the Orientation link on the Gavilan homepage - www.gavilan.edu to complete the orientation or contact the Counseling Office at 408-848-4723.

You may choose to not participate in orientation by completing a waiver form at the Admissions & Records Office. Doing this will prevent you from participating in priority (early) registration.

Attend High School at Gavilan College!

"Be Someone. Go Somewhere. Seek Excellence."

Dr. T.J. Owens Gilroy Early College Academy, located on the campus of Gavilan Community College, was established in 2006-07 as a partnership between the Gilroy Unified School District and Gavilan Community College and a grant from the Bill Gates Foundation. The program is structured to provide successful, challenging, and meaningful experiences for students identified as high ability who are not yet reaching their potential. Additionally, these students are typically the first in their family to attend and graduate from college. Students are offered not only the opportunity to earn a high school diploma by meeting the Gilroy Unified School District's A-G high school coursework, but they also take college courses for which they receive college units through dual enrollment. Students will experience a highly rigorous, college preparatory (Honors and AP) high school education, as well as take fully transferable college classes (up to 11 units a semester), for which they will receive both college and high school credit. Graduation in these for our five years may lead to attending a four-year university with two full years of college (60 units) completed. Students may earn an AA or AS degrees from Gavilan.

Acceptance to the Academy is based on a multiple-measures approach that involves an application packet, essay, personal interview, and Gavilan College assessment testing in both English and Mathematics. Applicants are not required to be currently enrolled in a Gilroy Unified school or live in the Gilroy Unified District. Students should have an overall GPA of 2.5 or higher, STAR scores in the "Proficient" range or above and the ability to read at or above the 9th grade level.

Applications are available online at www.gavilan.edu/geca, at any of the GUSD Middle Schools, or at the GECA office (PB-17) at Gavilan College. For more information you may call 408.846.4909 or visit our web site at www.gavilan.edu/geca.

Mentors: Each Puente student is matched with a mentor from the business or professional community. Mentors share with students their personal, academic and career experiences, and provide a window into "real-life" work environments. The network of trained Puente mentors provides many resources for the Puente students, their families, their colleges and their communities. If you are interested in more information please visit SC 105 or call 408-848-4807.

Student-to-Student Mediation Mediation services will provide students with an opportunity to problem-solve together in a safe environment. Trained student mediators will work with two or more students who are in conflict to reach mutually agreeable solutions. Mediation services are free and confidential. Students wishing to become mediators can register for Introduction to Conflict Resolution (Psychology 6).

Learning Communities In learning community courses, you work and study with others so you’ll be more successful in the course. Also, by linking two or more courses together, you’ll begin to see greater connections between the disciplines. Research shows that when you take a learning community course, you become a stronger student and do better in your other college courses.

Service Learning at Gavilan In service learning classes, students work under supervision at a partner agency in the community for 10-40 hours a semester, and write reflective papers to connect the agency experience to their classroom learning. A number of Gavilan College departments have offered Service Learning for years, and a new AA degree in Social Science with a concentration on Community Studies will make Service Learning a key part of a major program at Gavilan. Service learning promotes civic engagement and academic excellence, and students participating benefit themselves and the community at the same time.

Why take a Service Learning class? You’ll have positive, meaningful and real experiences. Many students get better grades in SL classes than in non SL sections of the same classes. Some report success in investigating or discovering career options; most gain knowledge of themselves and their communities. Many practice invaluable workplace skills involving teamwork and citizenship and report deeper learning because the results are immediate and uncontrived. Service experiences are very often personally meaningful-many students become Lifelong Service Learners. And Service Learning is common at transfer colleges, particularly the CSUs and UCs.

What are you waiting for?! Sign up for a Service Learning class today!

Transfer

Students planning to transfer to a four-year institution can generally complete the first two years of their college work at Gavilan College and enter the four-year institution with junior standing.

The requirements of universities vary. It is therefore advisable that students consult a counselor early in the semester for more detailed information about each university's specific requirements. *Due to recent changes in admissions policies at UCs and CSUs, working with a counselor is critical.*

Career/Transfer Resource Center The center is located in SC102. See ad (page 21) or call 408-848-4818 for more information.

Transfer Credit Official transcripts from institutions which are fully accredited by appropriate accrediting associations will be evaluated for transferable lower division coursework. Appropriate units and subject content will be applied to major and general education requirements to meet prerequisites or graduation requirements. Courses taken at other California Community Colleges, California State Universities or any University of California will be transferred to Gavilan with the same general education designation as that of the issuing institution.

Students who wish to transfer coursework from foreign institutions must submit official transcripts to a college-approved foreign evaluation service for translation and evaluation.

Coursework from a foreign institution cannot be used for certification to a four-year institution. Students should contact the institution to which they wish to transfer to inquire about the acceptance of foreign coursework.

Transfer Agreements (TAA) A Transfer Admissions Agreement is a formal agreement between a student in attendance at Gavilan College and a receiving baccalaureate granting institution to which the student intends to transfer. The agreement guarantees admission to a transfer university a year in advance for the fall semester.

Because the requirements of universities vary, it is advisable that students consult a counselor for more detailed information and to develop an educational plan.

Gavilan College has Transfer Admission Agreements with several colleges and universities. Please check our website for specifics at www.gavilan.edu/counseling/TransferServices.html.

Articulation agreements are also available online at www.assist.org. For eligibility requirements visit the Counseling/Transfer Services webpage at www.gavilan.edu/counseling/TransferServices.html or call 408-848-4723 to schedule a counseling appointment.

Articulation Agreements Gavilan College has completed lower division course-to-course, major-to-major and general education agreements with all California State University (CSU), University of California (UC) and a number of private university campuses. These agreements ensure that participating universities will accept certain courses taken at Gavilan College to satisfy general education, major or elective university requirements.

The articulation officer, counselors and the Career/Transfer Resource Center staff have lists of participating institutions. Articulation agreements are also available online. See information on www.assist.org.

Transfer Institute See page 18 of this schedule. Application on page 138.

Advanced Placement (AP) Gavilan College grants up to six semester units of transfer credit for each College Board Advanced Placement (AP) Test on which a student receives a score of 3 or better. The AP results must be submitted to the Office of Admissions & Records with a request for evaluation.

Students receiving a score of 3, 4 or 5 on the Math and English AP exams will be exempted from the placement assessment test. AP units will not apply toward financial aid, nor can they be used to satisfy the residency unit requirement.

California Articulation Number System

The California Articulation Number (CAN) System provides a cross reference number for courses which have been evaluated by faculty and determined to be acceptable "in lieu of" each other. Only lower division, transferable, major preparation courses commonly taught on two- and four-year college and university campuses are included in the System.

The criteria for a campus to qualify to use a CAN Number includes written, faculty-approved articulation agreements on each course with a minimum of four public four-year California colleges and universities.

The CAN Number System is not a common numbering system. Each campus retains its own course numbers, prefixes and titles. The CAN (e.g., CAN ENGL 2) is listed parenthetically in catalog descriptions, class schedules and other publications as appropriate.

The CAN designation is assurance that the course or sequence of courses will be accepted in lieu of an identically designated CAN course or sequence at all participating campuses in California.

(CAN ENGL1A = CAN ENGL 1A at another college.)

Intersegmental General Education Transfer Curriculum (IGETC)

The IGETC can be used by community college transfer students to fulfill lower division general education requirements for either the CSU or UC system without the need, after transfer, to take additional lower division general education courses, as long as your IGETC completion is certified at the community college. Obtain the Certification form from Admissions and Records.

Students are strongly encouraged to complete all IGETC requirements prior to transfer.

PARTIAL IGETC - If you are approaching readiness for transfer and are unable to complete one or two IGETC courses, you may be eligible to complete IGETC after transferring.

Warning: Students need Area 1 and 2 completed to meet minimum transfer admission requirements. Therefore, partial certification that acknowledges a deficiency in Area 1 and/or 2 may also indicate a student does not meet minimum transfer requirements.

If your petition for partial certification of IGETC is approved, you may be able to complete IGETC in one of the following ways:

- 1) Take an approved IGETC course, in the area(s) to be completed, at any California Community College, at a time that does not require concurrent enrollment, such as during the summer.
- 2) Take a course approved by the UC or CSU campus of attendance in the area(s) to be completed at a U.S. regionally accredited institution at a time that does not require concurrent enrollment, such as during summer school.
- 3) Take an approved IGETC course, in the area(s) to be completed, at any California Community College while concurrently enrolled at a UC or CSU campus. The student will be subject to the UC or CSU campus rules regarding concurrent enrollment, so this option may not be available.

- 4) Take a course approved by the UC or CSU campus of attendance at a United States regionally accredited institution in the area(s) to be completed while concurrently enrolled at a UC or CSU campus. The student will be subject to the UC or CSU campus rules regarding concurrent enrollment, so this option may not be available.
- 5) Take a comparable course at a UC or CSU campus in the area(s) to be completed. This option is at the discretion of each UC or CSU campus, so it may not be a choice available to the student.

You will be expected to complete IGETC before the beginning of the second full year of enrollment at your UC or CSU campus. Check with your campus advisor after you transfer for more information, including which options are available and which UC or CSU courses may be comparable to the IGETC courses remaining to be completed.

All UC and CSU campuses will accept IGETC with the exception of Fifth and Revelle Colleges at UC, San Diego. Since all majors are available at each of the five colleges at UC, San Diego, students will not be restricted in their choice of major if they use the IGETC.

A course cannot be used to satisfy more than one subject area of the IGETC (general education). However, major prerequisite courses can be used (double counted) to satisfy IGETC requirements.

CSU campuses' limitations on double counting of general education courses toward major preparations are not changed by IGETC.

Students who wish to be certified for both CSU and UC systems should take CMUN 1A, 5, 8 or 10 in Area 1 for CSU and meet the foreign language requirement for UC. Completing both provides flexibility and choices.

The courses for all IGETC areas must be completed with a grade of "C" or better before IGETC can be certified. A grade of "C-" is not acceptable.

UC/CSU Intersegmental General Education Transfer Curriculum IGETC - 2007-2008

Completion of all the requirements in the IGETC will permit a student to transfer from a community college to the California State University or the University of California without the need, after transfer, to take additional lower-division general education courses to satisfy campus general education requirements. All areas must be satisfied, and all courses must be completed with a grade of "C" or better before the IGETC can be certified. See requirements for partial IGETC certification in catalog. A student is strongly advised to complete a total of 60 transferable units before transferring. These will include the IGETC requirements, "major" prerequisites, and elective courses if needed.

(Students should request an IGETC certification from the Office of Admissions and Records before transferring.)

CSU General Education (Breadth) Requirements 2007-2008

certified by Gavilan College

Students transferring to the California State University system will qualify for admission as upper division transfers if they have completed (60) transferable units with a GPA of 2.0 ("C") or better (non-residents 2.4 or better). Within the (60) unit requirement, the (9) units in Area A, Area B-4 (Mathematics), and (18) additional semester units of general education coursework must be completed with a grade of 2.0 or better in each course. Students who complete the following pattern will have satisfied the lower division General Education requirements for the California State University BA / BS degree. A minimum of (9) semester units of General Ed coursework must be completed at the upper division level after transfer; some CSU campuses require more than (9) units. (See a counselor for further information.)
(Students should request a general education certification from the office of Admissions and Records before transferring.)

General Information

Attendance Students who fail to attend the first class session may be dropped by the instructor in order to admit waiting students. Generally, students missing one more class hour than the unit value for that course, without making prior arrangements, may be dropped without the possibility of credit. However, a student should not assume that he or she will be dropped by the instructor; it is the responsibility of the student to make sure that courses are officially dropped.

Advisories Course advisory is recommended preparation for a course. It is not a prerequisite to taking a course but is strongly suggested that the advisory be met prior to enrollment as success in the course may depend upon having that skill or knowledge level. For example, a course advisory that reads "to be eligible for English 250 and English 260 in order to enroll in Psychology 1A" strongly recommends that you have successfully completed (with a "C" grade or better or a "credit") the previous courses, English 440 and English 260. This becomes critical in being able to read and understand college textbooks.

Campus Safety and Crime Statistics Contact the Gavilan College Security Dept. at 408-710-7490 (or dial "10" from any campus extension) to report criminal or potential criminal activity.

Campus safety information and crime statistics are available online at www.gavilan.edu/safety. If you would like a hard copy of this information, copies are available at Admissions and Records (SC111) and the Campus Security office (S/M bldg.) or call 408-848-4703 to have a copy mailed to you.

Course Repetition There are limitations on the number of times a student may repeat a course. All courses listed in this publication with no repeat notation following the description may be repeated once without filing a petition if a grade of D, F, NC or NP was earned. A student may file a petition to repeat a course a second time if a grade of D, F, NC or NP is earned again. To file a petition, the student must meet with a counselor to evaluate circumstances and receive written approval. The student's transcript and grade point average will reflect the last grade the student receives in the course. A student may petition to repeat the course a third time by filing a Request to Repeat a Course Under Special Circumstances and providing the necessary documentation to support the special circumstances claim.

To repeat a course in which the student has received a final grade of "C" or better, a student must file a Request to Repeat a Course Under Special Circumstances prior to registering for the course again. Units and grade points for the repeated course are not computed in the grade point average unless the course is being repeated to meet legally mandated training requirements as a condition of continued paid or volunteer employment. This request must be approved by a counselor.

Pass/No Pass, Letter Grade Option For some courses, students have the option of selecting a final grade of Pass/No Pass or a traditional letter grade of "A", "B", "C", etc. Review the course description in this schedule to determine which courses are designated as having this grading option.

Before selecting a grading option, students should consider the following:

- Once the option has been selected, the student's decision is final and irreversible.
- To select one option over another, a student must complete the Grading Option form and file it with the Admissions & Records Office or indicate a preference when registering online prior to the NRS (No Record Shown) date for the course. This date is either the end of the fourth week (for a semester-long course) or 30% of the course meetings (for a short-term course.)
- If the student opts for a P/NP final grade, the units are not included in the semester GPA but are considered for the purposes of academic and progress probation and dismissal.
- A P/NP grade is not used in consideration of honors.
- A total of 20 units of P/NP graded units (not including those courses required by

the major which are designated P/NP only) may be applied to an Associates's Degree or Certificate.

- The student should carefully consider the transferability of P/NP units to other institutions. Some universities may not accept any pass/no pass courses and others limit the amount of pass/no pass units that will be accepted. Please consult your counselor before selecting the pass/no pass option.

Prerequisites and Co-requisites A prerequisite is a course or skill level that is required before you can enroll in another course. For example, English 250 is a prerequisite for English 1A. Courses used to meet prerequisite requirements must have been completed with a "C" grade or better or "Pass".

A co-requisite is a set of courses that you must take at the same time.

If you believe that you have the equivalent of the prerequisite through another means (courses at another college, AP tests, work experience, etc.) speak with your counselor.

CHALLENGING A PREREQUISITE

Students who believe that they have already fulfilled a prerequisite, or that a prerequisite has been improperly established or implemented, may challenge the prerequisite. The student is responsible for providing compelling evidence to substantiate the challenge based on one of the following:

- The prerequisite course has not been made reasonably available.
- The prerequisite was established in violation of regulation or in violation of the District-approved processes.
- The prerequisite is in violation of this Article.
- The prerequisite is discriminatory or is applied in a discriminatory manner.
- The student has the knowledge or ability to succeed in the course despite not meeting the prerequisite.

Challenge forms are available in the Admissions & Records Office or from a counselor and must be completed and returned to the Vice President of Instruction prior to the first day of classes.

Transcripts Transcripts of a student's permanent academic record are released ONLY with written authorization of the student. Telephone requests will not be accepted. The first two copies are free; there is a \$4 charge for each copy thereafter. Transcripts are normally sent out within five days of the request. This response time may be longer during busy periods such as the first two weeks of a new semester. Urgent requests cannot be honored during the late registration period but can normally be produced within an hour at a cost of \$7 per copy.

Unofficial transcripts are available to students on the Gavilan College homepage. Click on the Self-Serve Banner icon.

Withdrawal Students may withdraw from a course by notifying Admissions & Records either online or in person. The following grading practices apply when withdrawing from a course:

- A student who withdraws from a course prior to 30% of the class meetings will receive no grade of record.
- A student may withdraw from a course and receive a grade of "W" prior to completion of 75% of the class meetings for the course; thereafter, the student will receive whatever grade they would have earned, based upon the entire semester's work.
- A student may withdraw from a course up to four times and receive a grade of "W"; after a fourth "W", the student will receive the grade they would have earned, based upon the entire semester's work.
- A withdrawal may be excluded from the four-time maximum limit in the case of extenuating circumstances such as natural disasters or other circumstances beyond the control of the student including verified cases of accident or illness.

Student Life

Associated Student Body (ASB) The ASB is the official student organization on campus and provides the majority of student input and recommendations on critical campus issues to faculty, staff, administration and the Board of Trustees.

The Student Senate is a representative body of students who meet weekly to plan, implement and evaluate college activities and services that meet the needs of Gavilan College students. Any student who meets the requirements of the ASB's by-laws may become a voting member of the Student Senate. The elected and appointed officers provide a liaison between the students and academic departments and student services. The variety of leadership positions allows for different levels of involvement so that students can balance their academic and extracurricular loads effectively.

The political and practical leadership skills that students develop through the ASB are supplemented through a leadership course offered through the Political Science and Psychology Departments (POLS 27; PSYC 27). The curriculum includes practical skills that are applicable to college-related opportunities and other professional and personal environments. The curriculum is an interdisciplinary approach to contemporary leadership. This is an elective course that is transferrable to the CSU system and meets a GE requirement for the Gavilan College A.A./A.S. degree. Although the UC system does not accept the units for the class, it gives added consideration to those students who have been involved in student government and other college governance activities. Employers also look favorably upon a student's involvement in college leadership.

ASB CARDS: The benefits of buying a student body card are many. Revenue supports social and cultural activities on campus and provides the purchaser with discounts at athletic and cultural events and free bluebooks and scantrons (testing supplies) in the bookstore. Many businesses in Gilroy, Morgan Hill and Hollister offer discounts to card holders. Visit the ASB office in the Student Center - room 158 or call 408-848-4777.

Publications **The Gavilan Press**, an independent student newspaper, has provided students with a real world journalism experience and a public forum for their ideas and opinions since 1967. The newspaper covers events, issues and people that shape, reflect and define the college and the world. The Gavilan Press is also available online. Go to www.gavilanpress.com. Call 408-848-4837 for more information.

In 1985, the Gavilan College **Summer Theatre Arts Repertory (STAR)** Program was created to give Gavilan College Theatre Arts students an opportunity to share their passion for the performing arts with South County youth. Students from the academic program serve as STAR leaders, often directing and producing plays.
