Welcome to Gavilan College.

Gavilan College Principles of Community

As members of the Gavilan College community, we value the worth and dignity of every person, the pursuit of truth, devotion to excellence, acquisition of knowledge, and the nurture of democratic citizenship. We strive to maintain these ideals in an environment of inclusiveness and mutual respect.

The Principles of Community provide the foundation which creates this environment. The expectation is that we maintain the highest ethical standards in order to establish an atmosphere of civility, honesty, cooperation, professionalism and fairness.

Gavilan College aspires to be:

Diverse

We embrace and celebrate diversity in all its forms (the heritage, achievements, uniqueness, and contributions of all our members) and seek to uphold an inclusive, open and enlightened community.

Open

We believe free exchange of ideas requires mutual respect, trust and consideration for our differences.

Purposeful

We are a community that maintains a shared commitment to service to society and advancement of knowledge through innovative teaching and learning.

Just

We are committed to respect for individual dignity and equitable access to resources, recognition and security.

These Principles of Community, reflected in Board Policy 2715, guide the institution's actions. They provide guidelines to follow and are to be considered a living document. Adherence to the Principles of Community is the professional responsibility of all staff.

SUPERINTENDENT/PRESIDENT

Gavilan College is dedicated to helping our students succeed. We are exploring new approaches to improve students' success.

This year we began offering classes for college credit in the high-demand career field of Water and Wastewater Technology, and opened a Student Success Center as a support "hub" for new students. The Carpentry Apprentice Program is giving students access training in the building trades, and a federal

grant is providing expanded support for STEM (Science, Technology, Engineering, and Mathematics) education.

The Board of Trustees passed a policy on Student Success, creating a strong focus and institutional direction to ensure that all sectors of the college work together to help students prepare for transfer, attain degrees and certificates, and acquire basic skills when needed.

At the state level Gavilan College is gaining notoriety for our focus on Student Learning. The staff and faculty are now in the process of our accreditation self-study, which will take a detailed look at every aspect of our operations, which will culminate in a visit by an "accreditation team" from the Western Association of Schools and Junior Colleges in March of 2013.

As your College of Choice, our goal is to ensure that district residents have access to high-quality educational programs with the support services needed for students to succeed.

General Information

Attendance If you fail to attend the first class session you may be dropped by the instructor in order to admit waiting students. It is your responsibility to drop the course Do not assume that the instructor will do so. You **MUST** officially withdraw from a class before the refund deadline in order to receive a refund, even if you have never attended the class.

Advisories A course advisory is recommended preparation for a course. It is not a prerequisite to taking a course but is strongly suggested that the advisory be met prior to enrollment, as success in the course may depend upon having that skill or knowledge level. This becomes critical in being able to read and understand college textbooks.

Campus Safety and Crime Statistics Contact the Gavilan College Security Department at **408-710-7490 (or dial "10" from any campus extension)** to report criminal or potential criminal activity. Campus safety information and crime statistics are available online at www.gavilan.edu/safety. If you would like a hard copy of this information, copies are available at the Campus Security office (S/F bldg.) or call 408-848-4703 to have a copy mailed to you.

Course Repetition Effective Summer 2012, each course may be attempted a maximum of three times at the same college. An "attempt" is any enrollment in a course after the "No Record Shown" deadline, and that is recorded on your transcript as a "W", "I", "CR", "NC", "P", "NP", or a letter grade (A, B, C, D, F, etc.). Registration for the third attempt must be accompanied by a statement of understanding of repeat limits signed by the student and a counselor along with a registration or add card also signed by the counselor. Attempts made prior to Summer 2012 are counted towards the total number of attempts.

Pass/No Pass, Letter Grade Option Some courses have the option of a final grade of Pass/No Pass or a traditional letter grade of "A", "B", "C", etc. The grading option is shown by the class listing in the schedule. See 2011-2013 Catalog for details.

Prerequisites and Co-requisites A **prerequisite** is a course or skill level that is required **before** you can enroll in another course. Courses used to meet prerequisite requirements must have been completed with a "C" grade or better or "Pass". A **co-requisite** is a set of courses that you must take at the same time.

Challenging a Prerequisite: If you believe that you have the equivalent of a prerequisite through other means (courses at another college, AP tests, work experience, etc.) already fulfilled a prerequisite, or that a prerequisite has been improperly established or implemented, you may challenge the prerequisite by filing a **Challenge Form**. See 2011-2013 Catalog for details.

Transcripts will be released **ONLY** with written authorization. Telephone requests will not be accepted. The first two copies are free; there is a \$4 charge for each copy thereafter. Transcripts are normally sent out within ten business days of the request. This response time may be longer during busy periods such as the first two weeks of a new semester. Urgent requests cannot be honored during the late registration period but can normally be produced within 48 hours at a cost of \$7 per copy. Unofficial transcripts are available online.

Student Life - 408-852-2849

Student Activities Office supports students in the development of skills through participation in student life and campus activities. This office supports the ASB and student clubs and coordinates campus-wide events.

Associated Student Body (ASB) 408-848-4777

is the official student organization on campus and provides the majority of student input and recommendations on critical campus issues to faculty, staff, administration and the Board of Trustees.

Clubs - A variety of clubs and organizations provide opportunities to participate in scholastic, social, political, cultural and recreational pursuits. Club activities are coordinated and supported through the Student Senate. Students are encouraged to start clubs if they have a particular interest not represented currently on campus.

Student Senate is a representative body of students who meet weekly to plan, implement and evaluate college activities and services that meet the needs of Gavilan College students. Any student who meets the requirements of the ASB's by-laws may become a voting member of the Student Senate. The elected and appointed officers provide a liaison between the students and academic departments and student services. The variety of leadership positions allows for different levels of involvement so that students can balance their academic and extracurricular loads effectively.

The political and practical leadership skills that students develop through the ASB are supplemented through a leadership course offered through the Political Science and Psychology Departments (POLS 27; PSYC 27). The curriculum includes practical skills that are applicable to college-related opportunities and other professional and personal environments.

ASB Student Body Card revenue supports social and cultural activities on campus and provides the purchaser with free admission to athletic events, discounts at cultural events and free bluebooks and scantrons (testing supplies) in the bookstore. Community-wide businesses offer discounts to card holders such as reduced movie admissions, restaurant, gym, museum, computer and software discounts. ASB cards can be activated as library cards and come with 100 free prints. **Please note:** There is a \$2 charge for replacing lost ASB cards.

Gavilan Press 408-848-4837 The Gavilan Press, an independent student newspaper, gives students a real world journalism experience, training in traditional and digital tools, and a public forum for their ideas and opinions. The newspaper has covered events, issues and people that shape, reflect and define the college and the world since 1967. The Gavilan Press is also available online at www.gavilanpress.com.
