## ENGLISH

### ENGL 1A Composition

**Prerequisite:** English 250 and English 260 or English 250 and SSCI 270A or English 250 and SSCI 270B with a grade of 'C' or better or satisfactory score on the English placement examination.

**Transferable:** CSU; UC; CSU-GE: A2; IGETC: 1A; GAV-GE: A2; CAN: ENGL 2, ENGL SEQ. A

This is a writing course which emphasizes expository writing, argumentative writing, and critical reading of expository prose. It is meant to train students in clear thinking and reasoned support of ideas. Students will be given the opportunity to read models of good expository and argumentative prose and learn the techniques of good writing. These include choosing appropriate subjects, developing restricted, unified, and precise theses and presenting supporting evidence in a logical, lucid, and effective manner. To achieve this end, students write no fewer than six essays and read at least five works, two of which are book length.

**CREATIVE Writing**

John Updike photograph by Jill Krementz

Creative Writing classes allow students to express themselves through writing in a variety of modes: fiction, poetry, drama, and creative non-fiction.

Students will work both individually and in collaborative group activities, as well as respond to each other's work through supportive classroom workshops. Over the course of the semester, students will generate enough material to create a portfolio of their own work.

**Is this your first year at Gavilan? Looking for a community of people like you? Then this learning community program is specially designed for you.** The first year of college can be challenging for many students. By studying and working together with your classmates and instructors, in this program you'll develop a strong network of support to help you succeed. You'll improve your reading and writing skills and also explore options for majors, transferring, and careers. Building a strong foundation in your first year will put you on the road to success throughout your college experience.

**The Program:** Students will take reading, writing and guidance together because these skills are needed to succeed in college classes.

**The following classes are part of a First Year Experience learning community. You must enroll in all three courses.**

**Michael Giovannini**

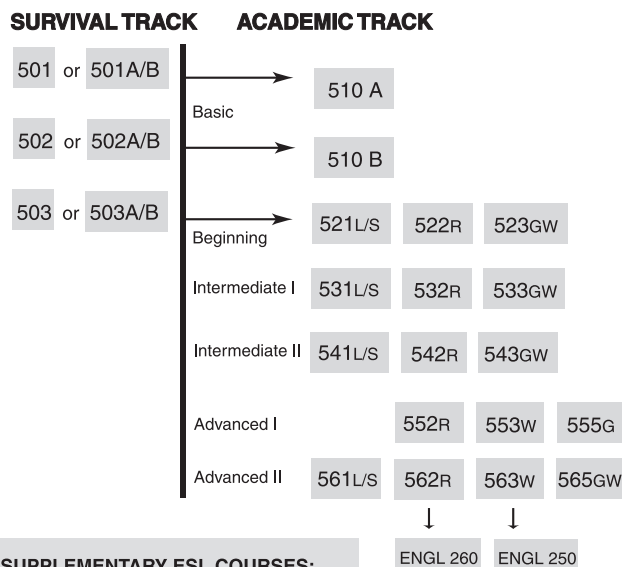

Originally from Massachusetts, I attended Central Missouri State University to fly helicopters and pursue a Bachelor's Degree in Aviation Technology. Before I could start my flight training the school sold the helicopters. I had always been involved with campus activities and assisting students so, upon completing my Aviation Degree, I began my Master's Degree in College Student Personnel Administration. After graduating I worked at the university as an Admissions Counselor for three years, traveling throughout the state and talking with high school students about attending the university. Three years later I joined the Army to pursue a life-goal of flying helicopters. Upon completing my service obligation, (including 13 months in Iraq), I transitioned out of the service and am back working in higher education with college students.

I consider myself fortunate to have found two careers that I thoroughly enjoyed and really benefit me as a Career/Transfer Specialist. Through my experiences in higher education, traveling half-way across the country to go to school, and being in the military, I believe that I have a broad knowledge-base to assist students.

The resources available in the Career/Transfer Center (SC 102) are available to all students and the community. Whether you are unsure of what direction you are headed, need information about a particular degree, or are looking for a part-time job, the Career/Transfer Center is available to help you "Set Your Direction".

STUDENT Profile

**Sonia Richards**

Gavilan is not only a place for learning. It is also an institution known for new beginnings.

On any given day you may see Sonia Richards zooming around campus on her electric scooter. With a smile on her face, she knows Gavilan is the place for her new beginning. When Sonia suffered a stroke three years ago, she thought, "What am I going to do?" As soon as she was well enough, Sonia's Department of Rehabilitation counselor suggested she enroll at Gavilan College. Sonia has now become a member of the Gavilan College Disability Resource Center family, where she enjoys taking adaptive swimming, adaptive computer courses, & regaining her reading and writing skills in English. "Little by little", she says, she continues to push herself to reaching new goals. She she likes Gavilan College because it is a 'stimulating' place to learn. In 2006, Sonia's hard work and positive attitude earned her the Patsy Johnson Scholarship.

The Puente Project is a two-semester program that combines three components: writing, counseling and mentoring to support students to transfer to four-year universities and colleges. The Guidance 6 course focuses on life skills for higher education and transfer. The English 250 course focuses on Mexican American/Latino literature. The program also includes a student leadership conference, university visits and mentor/student socials. The program is open to all eligible students. This course is a remedial, modular, self-paced course. Application and critical thinking skills are developed in each module. Module A covers operations with whole numbers, equivalent fractions, multiplying and dividing fractions. Module B covers adding and subtracting fractions, and operations with decimals. Module C covers ratio and proportion, percent, and units of measurement. Module D reviews fractions, decimals, percentages, and covers operations with integers, and working with variables. Module E covers real numbers, fractions, exponents, scientific notation, and order of operations. Module F covers expressions, polynomials, and equations. Module G covers geometric figures, perimeter and area, surface area and volume, triangles and parallelograms, and similar figures. This course has the option of a letter grade or credit/no credit.

## Profile

### STAFF

**Richard Alfaro**

As the Director of TRIO, Student Support Services I work with approximately 160 first-generation students at Gavilan College. The TRIO program offers students a variety of services such as university visits, workshops, tutoring, counseling, and much more. Since I was a first-generation college student myself, it is an honor to return to Gavilan College in this new role.

I graduated from Gilroy High School in 1993 and decided to attend Gavilan College. However, I failed to complete any courses and decided to return to work. After three years of working the graveyard shift at a cardboard box factory, I quit my job to return to school full-time. I graduated with an Associate of Arts degree from Modesto Junior College, then transferred to CSU, Stanislaus. With hard work and commitment, I earned my Bachelor of Arts degree in Organizational Communications with a minor in Political Science.

Shortly after receiving my degree, I began working at Gavilan College as an Outreach and Recruitment Specialist. In this position, I was given the opportunity to build and create relationships with our service area high schools and students.

I left Gavilan College in 2003 to pursue an opportunity at Santa Clara University School of Law where I worked as a Law Admissions Counselor. During my employment at Santa Clara University, I was accepted into their graduate education program. After attending school part-time and working fulltime, I received my Master of Arts degree in Educational Administration. During my time at Santa Clara University I held many positions and even worked briefly at Stanford University. However I was eager to return to my community. I am very excited to be back at Gavilan College, and even more excited to work with our students in achieving their post-secondary goals!

Philosophy 2 is intended as a survey of the primary approaches to argumentation and what has been traditionally called 'correct' reasoning. Students will learn techniques of both deductive and inductive argumentation, basic symbolic logic, how to spot a fallacy, as well as how to apply these techniques to other aspects of their lives outside of the classroom. While logic is often quite formal, the goal is to see the practical application of this discipline. Students will become acquainted with the cultural variations to reasoning in addition to the standard Western focal approach.

**PHIL 4 Critical Thinking and Writing**

Prerequisite: English 1A

Transferable: CSU; UC; CSU-GE: A3; IGETC: 1B; GAV-GE: C2

This course is designed to introduce the relationship between critical thinking and critical writing in a way that will be both enjoyable to the student and helpful in other aspects of life. The student will learn techniques of critical thinking, paying close attention to the current events, movies and popular media, music lyrics, as well as the textbook. Students will learn to identify deductive and inductive arguments and be able to evaluate their strength, create a strong argument of their own on a given topic, as well become experts in the area of critical analysis. The goal is to enable students to become strong, well informed, articulate members of the community as well as individuals with an empowered sense of self as an agent of change.

MATH • ENGINEERING • SCIENCE MAJORS

***PLANNING TO TRANSFER?***

Admission for these majors is very competitive

4-year universities stress preparation for the major over completion of general education major.

High-unit majors do not need to fulfill all general education requirements

You do not need to get an AA or AS degree to transfer

You should plan your sequential courses early.

can help you plan your courses to complete major preparation prior to transfer. Go to [www.assist.org](http://www.assist.org) and see a counselor to develop an educational plan.
