ACCURACY STATEMENT: The Gavilan Joint Community College District and Gavilan College have made every reasonable effort to ensure that the 2011 Spring Class Schedule is accurate. Courses and programs that are offered, along with other information in the schedule, are subject to change without notice by the Gavilan College administration for reasons related to student enrollment, level of financial support, or for any other reason, at the discretion of the district and the college. The district and college further reserve the right to add to, amend, or repeal any of its rules, regulations, policies, and procedures, consistent with applicable laws.

Welcome to Gavilan College.

This fall saw the move of the Aviation Maintenance Technology program from Hollister to the Gilroy campus and a grand re-opening for the newly remodeled cosmetology and business buildings. The final Measure E-funded campus project is now underway with the renovation of the Social Sciences building. We continue to evaluate alternatives to expand instructional space in Hollister.

Our priority is student success. Gavilan College is part of the California Alliance for Student Success (CLASS), a commitment by twelve selected colleges. The focus is identifying strategies for keeping students in the classroom and helping them graduate. This summer we looked at what colleges have done to bring successful programs out of the pilot stage to implementation across the college. Gavilan College has formed a Learning Council of faculty, administrators and professional support staff to institutionalize a commitment to success.

Although we continue to face budget challenges, the college remains in stable fiscal condition. The spring schedule has been reduced slightly to bring offerings in line with state funding. The faculty has put many hours into evaluating the schedule to make sure that classes which are needed for program completion are available. We wish you a successful spring semester, and thank you for making Gavilan College your College of Choice.

Matriculation ADMISSIONS • ASSESSMENT • ORIENTATION • COUNSELING • FOLLOW-UP

Matriculation is a series of services that Gavilan College commits to provide for you. The purpose is to help you identify your educational goals and successfully complete them.

Exemptions: Sometimes a student does not want to take advantage of the matriculation services. That is a right you have. In order to be exempt from assessment and orientation you must:

- have an AA degree or higher *or*
- have accumulated fewer than 12 units in transfer courses *or*
- be presently enrolled in fewer than six units *or*
- not plan to earn a certificate or degree.

Inform your counselor or the Admissions & Records Office if you choose to opt-out. Doing this will prevent you from participating in priority/early registration. You still have the right to use the other matriculation services. We encourage you to do so.

Assessment

Placement/assessment testing helps ensure that students are enrolled in courses that match their abilities in language and computational skills. Students must have completed the eighth grade to be eligible for assessment services. Placement scores, together with other indicators of a student's abilities, are used by counselors to recommend appropriate course placements.

Sign up by filling out and submitting the online request form at www.gavilan.edu/admit/assess.html. Computers available for student use are located in the Career/Transfer Center and Library. If necessary you may still sign up at the Admissions and Records Office on the main campus.

The assessment instruments used by Gavilan College for general assessment; the College Tests for English Placement (CTEP) and the Mathematics Diagnostic Testing Project (MDTP), are administered in English and are not intended for applicants to the English as a Second Language (ESL) program.

Sessions begin promptly at the stated time. **Check in is one half hour prior to starting time.** No one will be admitted after the session has begun.

Students must have completed the eighth grade to be eligible for assessment services.

Assessment requires:

- Valid picture ID *
- Gavilan ID number
- The Assessment Center will provide pencils and pens for students during testing
- No pagers or cell phones are allowed

* A valid picture ID includes a California Driver's License, California ID, Passport, Student Body Card, Military ID or Alien Registration Card. Contact the Assessment Office (MP100) or call 408-846-4992 if you do not have a valid ID.

All new ESL students must go through the ESL assessment process. See page 100. Todos los nuevos estudiantes de ESL deben tomar el examen de nivelación de ESL. Consulte la página 100.

Re-Assessment Sessions:

Students who have previously taken the assessment test may re-test after 30 days. You may re-assess once per semester. Stop by the Assessment Office (MP100) or call 408-846-4992 to confirm dates, times and locations.

Re-Assessment requires a copy of the student's previous test scores which can be obtained from the Counseling Secretary - SC113.

Assessment and re-assessment times and locations are subject to change. Additional times may be added. Confirm dates and locations at www.gavilan.edu/admit/assess.html or call (408) 846-4992.

Orientation

Orientation is a required component of matriculation. It provides new students with an overview of instructional programs, support services, facilities and general graduation requirements. Completion will help students avoid making course choices that might complicate and lengthen the time required to reach their educational goals. This is also a time for us to welcome you to Gavilan College and for you to have an opportunity to meet other new students and staff.

New students (never attended college) must participate in an orientation session prior to meeting with a counselor.

Orientation is completed online or in person.

The **Puente Program** assists educationally underserved students who plan to transfer to four-year colleges and universities, earn degrees and return to the community as leaders and mentors to future generations. Puente is open to all students.

English Instruction: Puente students take two consecutive writing classes, English 250 (Practical Writing) and English 1A (Composition). These classes provide a supportive and stimulating environment for Puente students to build confidence in their writing skills through an exploration of the Mexican American/Latino experience.

Counseling: Puente students work closely with their Puente counselor until they graduate, exploring career options, developing an academic educational plan and identifying lifetime goals. Students visit University of California and California State University campuses and attend an annual Puente student transfer conference. All Puente students are also required to enroll in Guidance 6 (Life Skills for Higher Education) and Guidance 1 (Self-Assessment and Career Development).

Mentors: Each Puente student is matched with a mentor from the business or professional community. Mentors share with students their personal, academic and career experiences, and provide a window into "real-life" work environments. The network of trained Puente mentors provides many resources for the Puente students, their families, their colleges and their communities. If you are interested in more information please visit SC 105 or call 408-848-4807.

Student Life

The **Associated Student Body (ASB)** is the official student organization on campus and provides the majority of student input and recommendations on critical campus issues to faculty, staff, administration and the Board of Trustees.

The Student Senate is a representative body of students who meet weekly to plan, implement and evaluate college activities and services that meet the needs of Gavilan College students. Any student who meets the requirements of the ASB's by-laws may become a voting member of the Student Senate. The elected and appointed officers provide a liaison between the students and academic departments and student services. The variety of leadership positions allows for different levels of involvement so that students can balance their academic and extracurricular loads effectively.

The political and practical leadership skills that students develop through the ASB are supplemented through a leadership course offered through the Political Science and Psychology Departments (POLS 27; PSYC 27). The curriculum includes practical skills that are applicable to college-related opportunities and other professional and personal environments. The curriculum is an interdisciplinary approach to contemporary leadership. This is an elective course that is transferrable to the CSU system and meets a GE requirement for the Gavilan College A.A./A.S. degree. Although the UC system does not accept the units for the class, it gives added consideration to those students who have been involved in student government and other college governance activities. Employers also look favorably upon a student's involvement in college leadership.

The benefits of buying an ASB Student Body Card are many. Revenue supports social and cultural activities on campus and provides the purchaser with free admission to athletic events, discounts at cultural events and free bluebooks and scantrons (testing supplies) in the bookstore. Community-wide businesses offer discounts to card holders such as reduced movie admissions, restaurant, gym, museum, computer and software discounts. ASB cards can be activated as library cards and come with 100 free prints. Visit the ASB office in the Student Center - room 158 or call 408-848-4777.

Publications **The Gavilan Press**, an independent student newspaper, gives students a real world journalism experience, training in traditional and digital tools, and a public forum for their ideas and opinions. The newspaper has covered events, issues and people that shape, reflect and define the college and the world since 1967. The Gavilan Press is also available online at www.gavilanpress.com. Call 408-848-4837 for more information.

Gavilan College, in partnership with San Jose State University (SJSU), has been awarded a STEM grant of \$3,765,638. STEM grants target the areas of science, technology, engineering, and mathematics. The grant will make it possible to: improve data collection and analysis, upgrade equipment for the study of chemistry, biology and physics, augment science instruction with new software, increase math tutoring, add a portable lab with laptop computers, develop curriculum, and provide faculty training. In implementing the grant, Gavilan College will work with San Benito and Gilroy High Schools, and San Jose State University to strengthen transfer pathways.

The grant was awarded by the United States Department of Education under the College Cost Reduction Act. Its purpose is to help a greater number of Gavilan College students to major in science, technology, engineering, and mathematics and to transfer and succeed in four-year programs in science disciplines.

In **Service Learning** classes, students work under supervision at a partner agency in the community for 10-40 hours a semester and connect the agency experience to their classroom learning. Service learning promotes civic engagement and academic excellence, and students participating benefit themselves and the community at the same time.

You'll have positive, meaningful and real experiences in SL classes. Many students get better grades in SL classes than in non SL sections of the same classes. Some report success in investigating or discovering career options; most gain knowledge of themselves and their communities. Many practice invaluable workplace skills involving teamwork and citizenship, and report deeper learning because the results are immediate and uncontrived. Service experiences are very often personally meaningful. Many students become Lifelong Service Learners. Service Learning is common at transfer colleges, particularly the CSUs and UCs.

Transfer

Students planning to transfer to a four-year institution can generally complete the first two years of their college work at Gavilan College and enter the four-year institution with junior standing. The requirements of universities vary. It is therefore advisable that students consult a counselor early in the semester for more detailed information about each university's specific requirements. *Due to recent changes in admissions policies at UCs and CSUs, working with a counselor is critical.*

The **Career/Transfer Resource Center** is located in SC101. See ad (page 23) or call 408-848-4818 for more information.

Transfer Credit Official transcripts from institutions which are fully accredited by appropriate accrediting associations will be evaluated for transferable lower division coursework. Appropriate units and subject content will be applied to major and general education requirements to meet prerequisites or graduation requirements. Courses taken at other California Community Colleges, California State Universities or any University of California will be transferred to Gavilan with the same general education designation as that of the issuing institution.

Students who wish to transfer coursework from foreign institutions must submit official transcripts to a college-approved foreign evaluation service for translation and evaluation.

Coursework from a foreign institution cannot be used for certification to a four-year institution. Students should contact the institution to which they wish to transfer to inquire about the acceptance of foreign coursework.

CLEP EXAMS: University of California does not grant credit for College Level Examination Program exams. CLEP credit CANNOT be used to certify IGETC. Some California State Universities will grant CLEP credit for certain areas and some will not grant credit at all. Transfer students are advised to contact the university they will be attending for specific information regarding CLEP credit.

Variable Topics Courses, numbered **22, 122, 23, 123, 98, 198** are also called "Independent Studies", "Special Studies", "Special Topics", "Internships", etc. Credit for variable topics courses is given only after a review of the scope and content of the course by the receiving institution. This usually occurs after transfer and may require recommendations from faculty. Check with a counselor to prevent surprises.

A **Transfer Admissions Agreement (TAA)** is a formal agreement between a student in attendance at Gavilan College and a receiving baccalaureate granting institution to which the student intends to transfer. The agreement guarantees admission to a transfer university a year in advance for the fall semester. Because the requirements of universities vary, it is advisable that students consult a counselor for more detailed information and to develop an educational plan. Gavilan College has Transfer Admission Agreements with several colleges and universities. Find specifics at www.gavilan.edu/counseling/TransferServices.html.

Articulation agreements are also available online at www.assist.org. For eligibility requirements visit the Counseling/Transfer Services webpage at www.gavilan.edu/counseling/TransferServices.html or call 408-848-4723 to schedule a counseling appointment.

Articulation Agreements Gavilan College has completed lower division course-to-course, major-to-major and general education agreements with most California State University (CSU), University of California (UC) and a number of private university campuses. These agreements ensure that participating universities will accept certain courses taken at Gavilan College to satisfy general education, major or elective university requirements. The articulation officer, counselors and the Career/Transfer Resource Center staff have lists of participating institutions. Articulation agreements are also available online. See information on www.assist.org and/or the Gavilan website at www.gavilan.edu/transfer.

IMPORTANT: We strongly encourage students to make a counseling appointment to prepare/develop an educational plan based on your personal, academic and career goals. Please see your counselor for additional information and to view copies of specific transfer agreements. The Counseling Office is located in SC108. For more information call 408-848-4723.

Advanced Placement (AP)

Students may earn credit for College Entrance Examination Board (CEEB) Advanced Placement (AP) Tests with scores of

3, 4, or 5. AP credit can be used to meet IGETC, CSU GE and A.A. general education (GE) and/or major requirements.

Students receiving a score of 3, 4 or 5 on the Math and English AP exams will be exempted from the placement assessment test. AP units will not apply toward financial aid, nor can they be used to satisfy the residency unit requirement.

AA: Students should be aware that AP test credit is evaluated by corresponding it to an equivalent Gavilan College course, e.g. History 1. A student who receives AP credit and then takes the equivalent Gavilan College course will have the unit credit for such duplication deducted prior to being awarded the A.A. degree. Credit by Advanced Placement exam is noted and listed first on a student's transcript, with units assigned and no grade.

CSU GE: The Advanced Placement examinations may be incorporated into the certification of CSU General Education-Breath requirements by any certifying institution. All CSU campuses will accept the minimum units shown and apply them toward fulfillment of the designated General Education-Breath area if the examination is included as part of a full or subject-area certification. Please note that individual CSU campuses may choose to grant more units than those specified toward completion of General Education-Breath requirements.

IGETC: AP exams must be used in area indicated regardless of where the certifying CCC's discipline is located.

***AP exams may be used in either area regardless of where the certifying CCC's discipline is located. Example: US History at a CCC is approved for Area 3B. The US History AP may be used in either Area 3B or 4F.

Scores of "3" may not be accepted for all courses by some 4 year colleges and universities.

California Articulation Number System

CAN

The California Articulation Number (CAN) System provides a cross reference number for courses which have been evaluated by faculty and determined to be acceptable "in lieu of" each other. Only lower division, transferable, major preparation courses commonly taught on two- and four-year college and university campuses are included in the System.

The criteria for a campus to qualify to use a CAN Number includes written, faculty-approved articulation agreements on each course with a minimum of four public four-year California colleges and universities.

The CAN Number System is not a common numbering system. Each campus retains its own course numbers, prefixes and titles. The CAN (e.g., CAN ENGL 2) is listed parenthetically in catalog descriptions, class schedules and other publications as appropriate.

The CAN designation is assurance that the course or sequence of courses will be accepted in lieu of an identically designated CAN course or sequence at all participating campuses in California.

(CAN ENGL1A = CAN ENGL 1A at another college.)

Intersegmental General Education Transfer Curriculum (IGETC)

The IGETC can be used by community college transfer students to fulfill lower division general education requirements for either the CSU or UC system without the need, after transfer, to take additional lower division general education courses, as long as your IGETC completion is certified at the community college. Obtain the Certification form from Admissions and Records.

Students are strongly encouraged to complete all IGETC requirements prior to transfer.

PARTIAL IGETC - If you are approaching readiness for transfer and are unable to complete one or two IGETC courses, you may be eligible to complete IGETC after transferring.

Warning: Students need Area 1 and 2 completed to meet minimum transfer admission requirements. Therefore, partial certification that acknowledges a deficiency in Area 1 and/or 2 may also indicate a student does not meet minimum transfer requirements.

If your petition for partial certification of IGETC is approved, you may be able to complete IGETC in one of the following ways:

- 1) Take an approved IGETC course, in the area(s) to be completed, at any California Community College, at a time that does not require concurrent enrollment, such as during the summer.
- 2) Take a course approved by the UC or CSU campus of attendance in the area(s) to be completed at a U.S. regionally accredited institution at a time that does not require concurrent enrollment, such as during summer school.
- 3) Take an approved IGETC course, in the area(s) to be completed, at any California Community College while concurrently enrolled at a UC or CSU campus. The student will be subject to the UC or CSU campus rules regarding concurrent enrollment, so this option may not be available.
- 4) Take a course approved by the UC or CSU campus of attendance at a United States regionally accredited institution in the area(s) to be completed while concurrently enrolled at a UC or CSU campus. The student will be subject to the UC or CSU campus rules regarding concurrent enrollment, so this option may not be available.
- 5) Take a comparable course at a UC or CSU campus in the area(s) to be completed. This option is at the discretion of each UC or CSU campus, so it may not be a choice available to the student.

You will be expected to complete IGETC before the beginning of the second full year of enrollment at your UC or CSU campus. Check with your campus advisor after you transfer for more information, including which options are available and which UC or CSU courses may be comparable to the IGETC courses remaining to be completed.

All UC and CSU campuses will accept IGETC with the exception of Fifth and Revelle Colleges at UC, San

Diego. Since all majors are available at each of the five colleges at UC, San Diego, students will not be restricted in their choice of major if they use the IGETC.

A course cannot be used to satisfy more than one subject area of the IGETC (general education). However, major prerequisite courses can be used (double counted) to satisfy IGETC requirements.

CSU campuses' limitations on double counting of general education courses toward major preparations are not changed by IGETC.

Students who wish to be certified for both CSU and UC systems should take CMUN 1A, 5, 8 or 10 in Area 1 for CSU and meet the foreign language requirement for UC. Completing both provides flexibility and choices.

The courses for all IGETC areas must be completed with a grade of "C" or better before IGETC can be certified. A grade of "C-" is not acceptable.

UC/CSU Intersegmental General Education Transfer Curriculum IGETC - 2009-2010

Completion of all the requirements in the IGETC will permit a student to transfer from a community college to the California State University or the University of California without the need, after transfer, to take additional lower-division general education courses to satisfy campus general education requirements. All areas must be satisfied, and all courses must be completed with a grade of "C" or better before the IGETC can be certified. See requirements for partial IGETC certification in catalog. A student is strongly advised to complete a total of 60 transferable units before transferring. These will include the IGETC requirements, "major" prerequisites, and elective courses if needed.

(Students should request an IGETC certification from the Office of Admissions and Records before transferring.)

CSU General Education (Breadth) Requirements 2009-2010

certified by Gavilan College

Students transferring to the California State University system will qualify for admission as upper division transfers if they have completed (60) transferable units with a GPA of 2.0 ("C") or better (non-residents 2.4 or better). Within the (60) unit requirement, the (9) units in Area A, Area B-4 (Mathematics), and (18) additional semester units of general education coursework must be completed with a grade of 2.0 or better in each course. Students who complete the following pattern will have satisfied the lower division General Education requirements for the California State University BA / BS degree. A minimum of (9) semester units of General Ed coursework must be completed at the upper division level after transfer; some CSU campuses require more than (9) units. (See a counselor for further information.) (Students should request a general education certification from the office of Admissions and Records before transferring.)

General Information

Adding and Dropping Classes

Adding Classes: The deadline for adding classes is listed in the schedule. Students should plan to use add codes as soon as they receive them from their instructor, but no later than the add deadline. Add codes expire on the last day to add and cannot be used after that time. Letters from instructors will not be accepted and it is the student's responsibility to ensure that s/he is officially registered for classes. **No exceptions!**

Instructors are to check the roster at the beginning of each class meeting to confirm that the students attending are enrolled. Faculty should ensure that all active students complete the registration process by the deadline.

It is the student's responsibility to make sure he/she is officially registered for classes. Registration status can be viewed on MyGav online (my.gavilan.edu) or by asking the instructor to verify the student name on his/her official roster, or by visiting the Admissions & Records Office or the Hollister or Morgan Hill sites.

Dropping Classes: Students may withdraw from a course by submitting a drop card to Admissions & Records or by completing the drop process via self-service Banner. Click on the Add or Drop Classes link (under Registration Tools) on the Student Tab of MyGAV.

Withdrawal Policy: The following grading practices apply when withdrawing from a course:

- A student who withdraws from a course prior to 30% of the class meetings being held will receive no grade of record.
- A student may withdraw from a course and receive a grade of "W" prior to completion of 75% of the class meetings for the course; thereafter, the student will receive whatever grade they would have earned, based upon the entire semester's work.
- A student may withdraw from a course up to four times and receive a grade of "W"; after a fourth "W", the student will receive the grade they would have earned, based upon the entire semester's work.
- A withdrawal may be excluded from the four-time maximum limit in the case of extenuating circumstances such as natural disasters or other circumstances beyond the control of the student including verified cases of accident or illness.

Course Conflicts: Students with class conflicts must have a note from 1) either both instructors stating they are aware of the conflict or 2) the instructor of the class the student will leave early/arrive late. The note must state what steps will be taken to make up time/work or if there are no conflicting problems.

Attendance Students who fail to attend the first class session may be dropped by the instructor in order to admit waiting students. However, it is the student's responsibility to drop a course she or he stops attending and the student should not assume that the

instructor will do so. Students **MUST** officially withdraw from a class before the refund deadline in order to receive a refund, even if they have never attended the class. Students can withdraw from class on MyGav, or by filling out a pink drop card and submitting it at the Admissions & Records Office, or at the Hollister or Morgan Hill sites.

Generally, students who miss both the first and second class meetings, without making prior arrangements with the instructor, can be dropped at the instructor's discretion. It is not certain that you will be dropped in this instance, but the instructor has the right to make this choice. It is always the responsibility of the student to verify whether they have been officially dropped from the course.

Advisories Course advisory is recommended preparation for a course. It is not a prerequisite to taking a course but is strongly suggested that the advisory be met prior to enrollment as success in the course may depend upon having that skill or knowledge level. For example, a course advisory that reads "to be eligible for English 250 and English 260 in order to enroll in Psychology 1A" strongly recommends that you have successfully completed (with a "C" grade or better or a "credit") the previous courses, English 440 and English 420. This becomes critical in being able to read and understand college textbooks.

Campus Safety and Crime Statistics

Contact the Gavilan College Security Department at 408-710-7490 (or dial "10" from any campus extension) to report criminal or potential criminal activity.

Campus safety information and crime statistics are available online at www.gavilan.edu/safety. If you would like a hard copy of this information, copies are available at the Campus Security office (S/F bldg.) or call 408-848-4703 to have a copy mailed to you.

Course Repetition There are limitations on the number of times a student may repeat a course. All courses listed in this publication with no repeat notation following the description may be repeated once without filing a petition if a grade of D, F, NC or NP was earned. A student may file a petition to repeat a course a second time if a grade of D, F, NC or NP is earned again. To file a petition, the student must meet with a counselor to evaluate circumstances and receive written approval. The student's transcript and grade point average will reflect the last grade the student receives in the course. A student may petition to repeat the course a third time by filing a Request to Repeat a Course Under Special Circumstances and by providing the necessary documentation to support the special circumstances claim. Grades and grade points under this provision will not be computed in the grade point average.

To repeat a course in which the student has received a final grade of "C" or better, a student must file a Request to Repeat a Course Under Special Circumstances prior to registering for the course again. Units and grade points for the repeated course are not computed in the grade point average unless the course is being repeated to meet legally mandated training

requirements as a condition of continued paid or volunteer employment. This request must be approved by a counselor. For more information about course repetition, see the Gavilan College Catalog.

Pass/No Pass, Letter Grade Option

For some courses, students have the option of selecting a final grade of Pass/No Pass or a traditional letter grade of "A", "B", "C", etc. Review the course description in this schedule to determine which courses are designated as having this grading option.

Before selecting a grading option, students should consider the following:

- Once the option has been selected, the student's decision is final and irreversible.
- To select one option over another, a student must complete the Grading Option form and file it with the Admissions & Records Office or indicate a preference when registering online prior to the NRS (No Record Shown) date for the course. This date is either the end of the fourth week (for a semester-long course) or 30% of the course meetings (for a short-term or early start course.)
- If the student opts for a P/NP final grade, the units are not included in the semester GPA but are considered for the purposes of academic and progress probation and dismissal.
- A P/NP grade is not used in consideration of honors.
- A total of 20 units of P/NP graded units (not including those courses required by the major which are designated P/NP only) may be applied to an Associates's Degree or Certificate.
- The student should carefully consider the transferability of P/NP units to other institutions. Some universities may not accept any pass/no pass courses and others limit the amount of pass/no pass units that will be accepted. Please consult your counselor before selecting the pass/no pass option.

Prerequisites and Co-requisites A **prerequisite** is a course or skill level that is required before you can enroll in another course. For example, English 250 is a prerequisite for English 1A. Courses used to meet prerequisite requirements must have been completed with a "C" grade or better or "Pass". A **co-requisite** is a set of courses that you must take at the same time.

If you believe that you have the equivalent of the prerequisite through another means (courses at another college, AP tests, work experience, etc.) speak with your counselor.

Challenging a Prerequisite: Students who have reason to believe that they have already fulfilled a prerequisite, or that a prerequisite has been improperly established or implemented, may challenge the prerequisite. The student is responsible to provide compelling evidence to substantiate the challenge claim. Challenge forms are available at the Admissions and Records Office and must be completed and returned to the Vice President of Instruction prior to the first day of classes.

The challenge will be reviewed and a decision made within five working days or the student shall be allowed to enroll in the course, provided there were seats available at the time the form was filed. However, the student may enroll in the challenged class (if there are seats available) immediately after filing the form with the Vice President of Instruction by presenting a copy of the Prerequisite Challenge Form at registration. If the challenge is not upheld, the student must drop the course and may apply for a refund of fees. For further information regarding the prerequisite challenge, contact a counselor.

Transcripts of a student's permanent academic record are released ONLY with written authorization of the student. Telephone requests will not be accepted. The first two copies are free; there is a \$4 charge for each copy thereafter. Transcripts are normally sent out within ten business days of the request. This response time may be longer during busy periods such as the first two weeks of a new semester. Urgent requests cannot be honored during the late registration period but can normally be produced within 48 hours at a cost of \$7 per copy.

Unofficial transcripts are available to students on MyGAV.
