Adding Courses

Students may add courses to their schedules until the end of the second day of the six-week term contingent upon seat availability. To add a course once the course is filled (closed), an add code is required.

Students adding courses with a start date earlier or later than June 18 must be registered by the first day of the class.

Dropping Courses

Students may drop courses online at www.gavilan.edu, in person or by telephone using GavNOW. A student who stops attending and does not officially withdraw is not automatically dropped and may receive a final grade of "F" or "NC".

Six-week courses dropped by Thursday, June 28 will not appear on the student's permanent record. Classes dropped between June 29 and July 13 will appear on the permanent record with a notation of "W" (withdrawn).

The "W" deadline for all courses is 75% of the class meetings.

Parking

Student spaces are enforced Monday through Thursday from 7 a.m. to 10 p.m. and Friday from 7 a.m. to 5 p.m. Student parking is permitted in Lots A, C, E or H except where restricted to staff, visitors or handicapped. All vehicles parked on campus must display a parking permit. Day tickets are available for 75 cents at coin-operated machines in parking lots A & E and at the south entrance to campus. All-day permits for the four or six-week Summer Session are $20 and are available from the Admissions and Records Office.

NO QUIZZES! NO TESTS! NO LETTER GRADES! NO FEES!

Summer Noncredit Classes

This program is open to all students and currently offers various classes of interest to the community.

Registration will take place in the Admissions & Records Office or in class on the first day of the course. Students should contact Michelle Lopez in the Noncredit Office directly with any questions or for further information at (408) 848-4859.

GUIDANCE

GUID 710 Parent Advocacy

Transferable: No

This course is designed to help parents understand the transition from high school to college. Parents will develop techniques on how to better support their college student at home by creating a college going environment and increase potential involvement to enhance academic achievement. Parents will also develop a general understanding of the challenges and obstacles students face on a daily basis.
