**SCIENTIFIC SATURDAYS**

Our popular Scientific Saturdays series continues with more fun and hands-on experiments that are anything but boring. Parents, your child will safely perform experiments designed to spark their interest in scientific theory. Your child will learn about kinetic energy and motion, how to fight germs, local ecosystems and will even play a Scientific Detective. Note: Students must be able to follow directions independently or in a group. Your child will be working with common household products and perform supervised experiments that may require use of chemical products. Kelly Childers has a degree in Biology and worked in the pharmaceutical industry as a research biologist for 7 years.

**SCIENCE DETECTIVES**

(Grades 4-8)

Discover the weird side of science with experiments involving food. You'll make the shell of an egg disappear, make ice cream using rock salt, experience a 'jammin' jelly' chemical reaction and perform other cool experiments.

Sat, 9 am - 12 pm; 1 session on 5/8

**GERM FIGHTERS**

(Grades 4-8)

Why does your mom always say, 'wash your hands?' Come learn how germs spread, and how much bacteria we encounter on a daily basis. Using a 'Glow Germ Kit,' we will simulate the behavior of germs while performing multiple experiments. Leave class learning how to fight those pesky germs!

Sat, 9 am - 12 pm; 1 session on 5/15

Profiles

**BASIC SKILLS STUDENTS and COUNSELOR**

**Daisey Santillan**

My experience at Gavilan College has been great. When I first started College I was clueless because I did not know what to expect. I didn't know what I wanted to major in, if I wanted to transfer or not, and I also didn't know what the school had to offer. Luckily, my instructors were supportive, understanding and encouraged me to talk to a counselor. This is when I went to the Basic Skills program. The counselor was very helpful and I was able to ask any question I had. They told me about the different kinds of programs that are offered on campus and helped me figure out which one I could qualify for. They also helped me make an Educational Plan (Ed Plan) and recommended me to take a class that would help me decide on a major. I have now decided that I would like to transfer to San Jose State and major in Administrative Justice. I'm part of EOPS, a wonderful program, which has helped me A LOT, and I am more than half way done. I have also met a lot of fun and caring staff members. I would like to say thank you to all the Gavilan College staff members who have helped me throughout college.

**Roselyn Cohen**

I grew up in Saigon, Vietnam. After moving to the United States I started a family and a career and now several years later I am working on a college degree. This is my second year at Gavilan College and the Basic Skills Program has been a very big help to me. It has helped me to learn and use my individual learning style to my advantage, and has provided me with invaluable study tips. Not being a native English speaker, this assistance has played a major role in my academic success. Now, I am a volunteer for the Basic Skills program, providing interpreter services for other native Vietnamese speakers with the hopes of helping others also achieve academic success.

**Michelle Foguet-Mendoza**

As the Basic Skills Counselor for Gavilan College, I work with those students who place at and/or are taking pre-college level English, Math and ESL courses. As a Counselor, I know that starting out in college can be overwhelming. It is not easy being a student, especially if you have a job, a family and other obligations. I am here to help listen, and help you deal with the stresses of being a student - one step at a time.

I have been at Gavilan College since Fall semester '08. Prior to that I worked in Career Development for the County of Santa Cruz. I attended Cabrillo College and later transferred to UC Santa Barbara. I spent my junior year abroad in Barcelona, Spain where I became fluent in Spanish. I earned a B.A in Sociology and my M.A. in Educational Counseling and Student Personnel from San Jose State.

If you have any questions, I am located in L157 behind the Library, and I can be reached at (408) 848-4776. I look forward to meeting with you and assisting you with your college career here at Gavilan.

# Summer Distance Education Courses

**Online** courses allow students who have access to a computer with an internet connection to take college credit classes. Students must have an email account before they register for the online course. Students will meet their instructors and classmates online. Your instructor may schedule one or more optional meetings on campus.

After enrolling online, start the class by going to

<http://www.gavilan.edu/disted/>

**BE SURE TO NOTE THE STARTING DATE OF YOUR CLASS.** Unless you have made prior arrangements with the instructor, you MUST login by 11:59 pm on the first day of the semester for full-term courses or the first day of class for short-term courses. Late adds must login within 24 hours of adding this course. If you miss the deadline you may be dropped. For help, contact your instructor or email [disted@gavilan.edu](mailto:disted@gavilan.edu)

**ORIENTATIONS:** We strongly recommend students take one of the live orientations to online courses offered in the Gavilan Library. Please go to: [http://www.gavilan.edu/disted/index\\_help2/orientation.html](http://www.gavilan.edu/disted/index_help2/orientation.html) for a schedule of orientations.
