Summer Distance Education Courses

Online courses allow students who have access to a computer with an internet connection to take college credit classes. Students must have an email account before they register for the online course. Students will meet their instructors and classmates online. Your instructor may schedule one or more optional meetings on campus.

After enrolling online, start the class by going to

http://www.gavilan.edu/disted/

BE SURE TO NOTE THE STARTING DATE OF YOUR CLASS. Unless you have made prior arrangements with the instructor, you MUST login by 11:59 pm on the first day of the semester for full-term courses or the first day of class for short-term courses. Late adds must login within 24 hours of adding this course. If you miss the deadline you may be dropped. For help, contact your instructor or email disted@gavilan.edu

ORIENTATIONS: We strongly recommend students take one of the live orientations to online courses offered in the Gavilan Library.
Please go to: http://www.gavilan.edu/disted/index_help2/orientation.html for a schedule of orientations.

*   Late-start and/or extended session

GoPrint Use the GoPrint system to print documents at all of Gavilan College's computer labs. No need to fumble around with coins! With your GoPrint or ASB card, you're good to go. See ad on page 3.

Hybrid

Hybrid classes will be delivered partially online and also meet face to face at select locations. You must have an email account to take a distance ed course. Unless you have made prior arrangements with the instructor, come to class in person on the first day of the semester or the first day of class for short-term courses. If you do not show up on the first day you may be dropped. For help, contact your instructor or email disted@gavilan.edu.
