

Summer Distance Education Courses

Online courses allow students who have access to a computer with an internet connection to take college credit classes. Students must have an email account before they register for the online course. Students will meet their instructors and classmates online. Your instructor may schedule one or more optional meetings on campus.

After enrolling online, start the class by going to

<http://www.gavilan.edu/disted/>

BE SURE TO NOTE THE STARTING DATE OF YOUR CLASS. Unless you have made prior arrangements with the instructor, you MUST login by 11:59 pm on the first day of the semester for full-term courses or the first day of class for short-term courses. Late adds must login within 24 hours of adding this course. If you miss the deadline you may be dropped. For help, contact your instructor or email disted@gavilan.edu

ORIENTATIONS: We strongly recommend students take one of the live orientations to online courses offered in the Gavilan Library. Please go to: http://www.gavilan.edu/disted/index_help2/orientation.html for a schedule of orientations.
