total estimated cost of spring GA is estimated to be \$4,060. proposed ideas are community leadership conference, and placing ASGC students in guidance 210 classes, potentially with student stipends. turns out student rep fee cannot be used for stipends. one day conference for high school students in and or around gav. workshops on personal development, career exploration, etc. hosted by ASGC and recruited faculty. Brianna Everett also mentioned the potential for a career/professional development day for local students with ideas on networking, resume building, etc. to benefit local students in learning how to learn workplace skills

8.2 Schedule for ASGC Recruitment Tabling, Nolan Golden, VP of Clubs (15 Minutes)

Plans to send out a schedule for tabling during ASGC recruitment week. Tanie mentioned the idea of having a table outside of our office continually, being sure to not pass up any opportunities for recruitment

8.3 ASGC Fundraising Permission Proposal, Brian Franco, (15 minutes)

frustration from clubs for ASGC student body approval for fundraising opportunities, especially last semester when ASGC had not met for 3 weeks due to calendar scheduling, proposing to collect signatures from student life coordinator, president, advisor, and president of clubs. would only necessitate 3 of the 4 signatures in order to gain approval. moving to an action item for next meeting. policies and procedures have been up on the website for years, the club handbook has been up since the beginning of next semester. the four largest clubs are clubs that are either state wide or nationally recognized. VP of Marketing proposed that we approve it conditionally. Dave has mentioned that the issue we ran into last semester was not an issue with our policy
