CAP Peer Mentor Cohort:
SOCIAL SCIENCES & HUMANITIES

About Me:

- I am currently in my 3rd year at Gavilan College where I major in Health Science/Nursing. I am a wife and a mother to a 17 year old and a 4 year old. My family and my friends are my support as well as my inspiration to keep pushing forward towards my goals. I can't wait to become a Labor & Delivery RN!

My Advice to you as a Peer Mentor:

- As a Peer Mentor, my advice is to make the most of the support programs available on campus, including both in-person and online tutoring

How I can Help You as a Peer Mentor:

- As a CAP Peer Mentor I can help connect students to the correct support programs on campus in order to help them succeed in their academic career. As Peer Mentor, I host events to give out helpful information on the cohort as well as make it fun and exciting!
