 HOME TOWN : PRUNDALE, CA

ABOUT ME :

I am a Welcome Center and CAP Business Peer Mentor. I am currently in my second semester of school, majoring in Health Science. When I have any free time away from work or school, I one hundred percent love spending that time with my grandparents and family. I also do enjoy being by myself from time to time.

MY ADVICE FOR YOU :

It is okay to ask for help! I would 100% encourage YOU to not feel bad asking questions or requiring more clarification on something. There are individuals and resources here on campus to help you!

HOW I CAN HELP YOU AS A PEER MENTOR

I can provide you with help throughout the semester, as well as one-on-one guidance regarding Financial Aid, Admissions & Records, & Counseling. Rather than informing you that 'i don't know', I will always try to find the answer to your question.

FAVORITE QUOTE :

sometimes one has to come to realization of what they need to reflect on in themselves. before criticizing oneself or others.
