ABOUT ME

I am a Welcome Center and CAP STEM Peer Mentor. As a Biology major, I am planning on attending Dental School. I like to spend time with my family.

HOW I CAN HELP YOU AS A PEER MENTOR

I can provide one-on-one support and guidance when it comes to the Admission and Records, Financial Aid, and Counseling departments. I will always do my best to find the answers to your questions and assist you through out the semester.

MY ADVICE FOR YOU

Don't be shy—asking for help is always the right move.
