ABOUT ME

My name is Jose Antonio Chavez, and I'm in my first year at Gavilan. I'm currently studying with the goal of teaching English as a Second Language. Some of my interests include cooking, traveling and working. I really enjoy my work at the Welcome Center as I find it rewarding and fulfilling. My current residence is in Morgan Hill.

WORD OF ADVICE

As a returning student out of college for 15 years, I understand that school can be kind of overwhelming at times. I advise you to not give up and search for helpful resources, or visit us in the Welcome Center and we will gladly help. Gavilan has many resources that supports a lot of student, please take advantage.
